Places on most of our courses reach maximum student capacity early in the admission cycle, and as a result, the published latest deposit deadline date is often brought forward. We therefore strongly encourage you to make your financial deposit payment as quickly as possible, even if you have other conditions of entry outstanding. Specific admissions deadlines and other important dates can be found on our website: <https://www1.chester.ac.uk/international/how-apply/important-dates>

Should you require a Confirmation of Acceptance for Studies (CAS), this will be issued to you once the required deposit has been paid or you have demonstrated financial sponsorship for the required amount via an approved sponsorship organisation, as well as documents which prove that you have satisfied any academic and/or English language conditions relating to your offer, have been received. Before a CAS is issued you will need to submit a CAS request form along with all required supporting evidence. Further information on the documents required as part of the CAS process can be found on our website:

<https://www1.chester.ac.uk/international/how-apply/cas-process>

You will need to meet minimum financial requirements on or before your arrival at the University in order for you to enrol formally on your course. Failure to enrol formally, during the expected enrolment period, will result in the University withdrawing its sponsorship of you. Please review the Finance Information and Regulations document attached to your offer for your specific payment deadlines.

We look forward to meeting you at the University of Chester, and wish you every success in your studies here.

Jonathan Pritchard- Director of the International Centre

The University of Chester makes every effort to ensure that the information provided to applicants about courses of study at the University of Chester is complete and correct. However, the University reserves the right, at its discretion, and for any reason deemed fitting or necessary, to make changes or cancellations, without notice, for the courses mentioned herein. The University of Chester cannot accept liability for loss resulting from such changes or cancellations.

A place is offered to you subject to the University Student Contract Conditions, which will be incorporated by reference in all contracts between the University and its students, for a course of study or programme of research. These terms and conditions contain obligations binding upon you and the University and which restrict the University's liability. A copy of the contract is available on the University website at <https://www1.chester.ac.uk/legal/student-enrolment-conditions-and-access-agreement>
