PROTECTING THE TREES

Boomithrasena Club members took part of the cleaning the premises of mango tree saplings and maintained trees properly.

CLEANING ACTIVITIES IN THE CAMPUS

On August 09th 2021, Bhoomithrasena Club members actively participated in cleaning and beautification activities in the college campus. BMC members collected degradable wastes and plastic waste from the college campus, and disposed the wastes properly.

HERBAL GARDEN

Bhoomithrasena Club was made a herbal garden near EK Auditorium.

CAMPUS BEAUTIFICATION

BMC members have been working steadily and continuously in last three year for maintaining the college campus green. They planted different types of plants and tree saplings inside the campus.

BMC ADOPTED 20 CENTS PLOT FOR VEGETATION

Boomithrasena Club adopted 20 cents from college management near the auditorium and planted a large variety of plants. They actively involved to maintain the tree saplings and did irrigation activities inside the plot. Now the area changed more green and clean.

FIELD TRIP TO ATTAPPADI

On behalf of the Bhoomithrasena Club a nature camp was arranged at Kayyeni Camp Site Attappadi on 29th February and 1st March 2020. It was a wonderful experience for the members as they had completely natural and hygienic stay and food for two days.

TREKKING INSIDE THE FOREST

BMC Club conducted a trekking in the forest and travelled five kilometers and identified large varieties of flora and fauna inside the forest.

EXPLORING THE SIRUVANI RIVER

Siruvani River is the Asia's second best pure water source. Boomithrasena Club members walked through the river more than 2 kilometers and explored the river.

ADVENTURE ACTIVITIES TO BMC

BMC conducted some games and adventure activities to students for building confidence among the members. It was the first experience to most of the students and they enjoyed a lot.
