WORLD ENVIRONMENT DAY

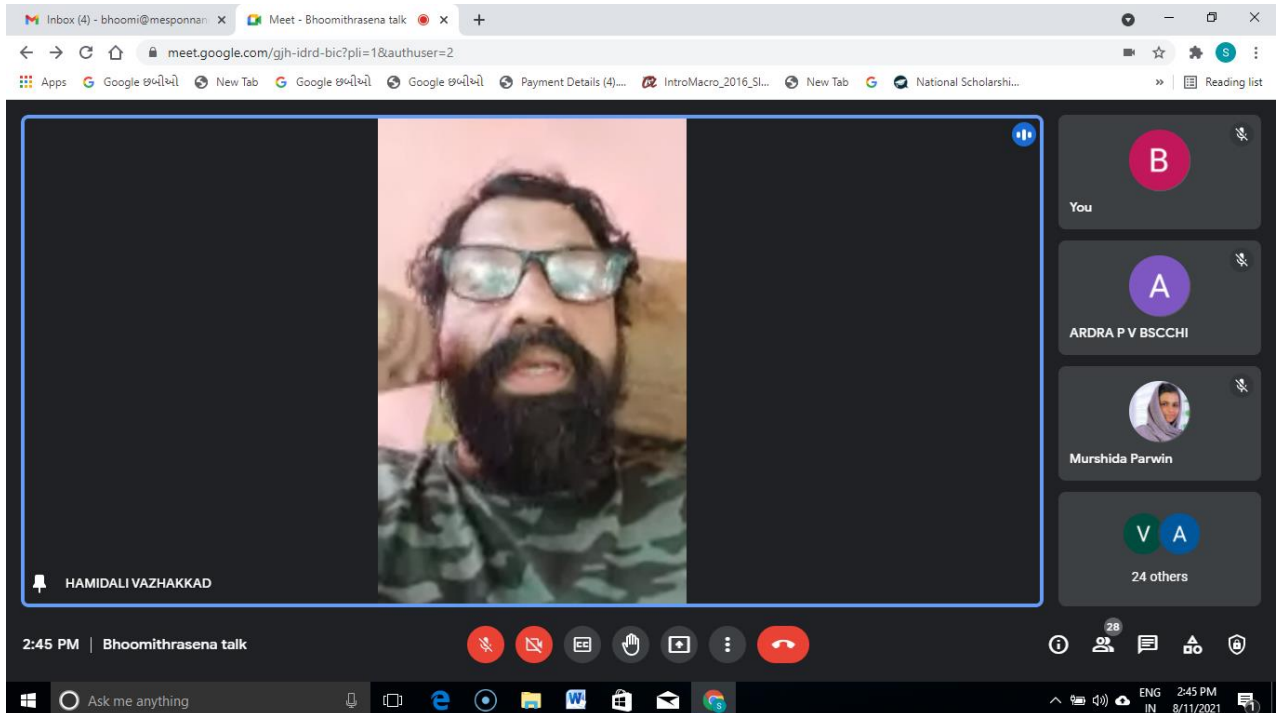

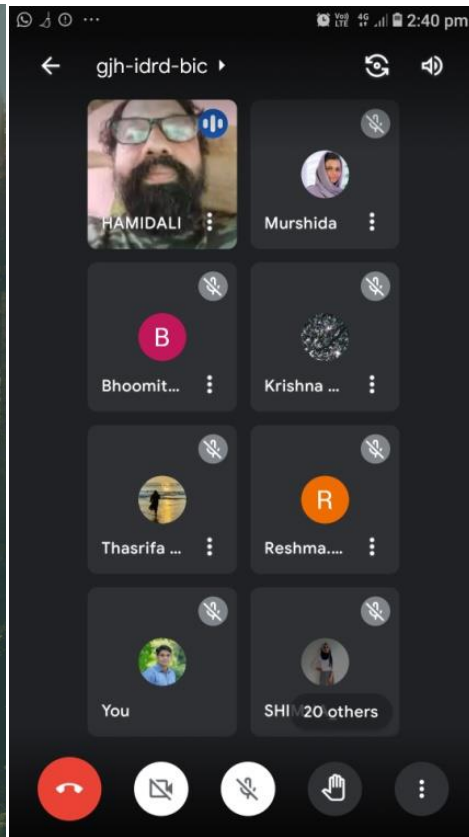

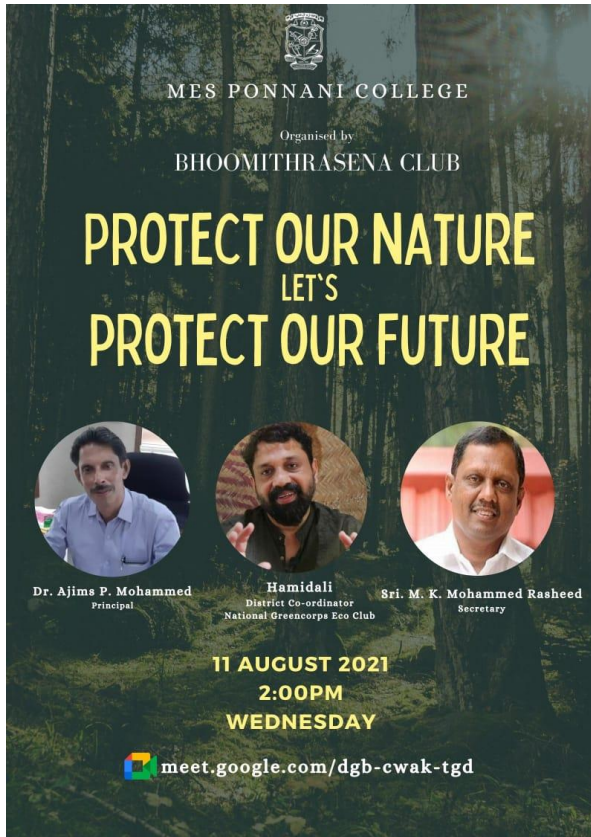

Bhoomithrasena Club, MES Ponnani College observed the World Environment Day on 05th June 2021. Prof. VK Baby, Former principal and Academic Committee chairman inaugurated the programme by planting a tree sapling behind the EK Auditorium. He shared his experience in making the college a green campus. BMC Club volunteers actively participated in planting tree saplings under the leadership of Dr. Thoufееq Rahman V, Faculty In charge of Bhoomithrasena Club and Prof. Shamila V.U., coordinator of BMC. More than 20 students involved in the green initiative.

BHOOMITHRASENA CLUB WEBINAR

Bhoomithrasena Club organized a webinar on “Protect Our Nature, Lets Protect Our Future” on 11th August 2021. Dr. Ajims P Mohammed, Principal, MES Ponnani College chaired the webinar and Sri. Mohammed Rasheed MK, Secretary, MES Ponnani College inaugurated the webinar by emphasizing the importance of the webinar topic. Sri. Hamid Ali, District coordinator National Green Corps & Eco Club delivered the keynote address. Hamid Ali sir led the class with his personal experience blending with nature. He was taking the students to different nature related experiences and his class was very interesting and highly informative. He explained the main causes of natural disasters have been happening every year in Kerala recently. Dr. Thoufeeq Rahman Vazhakkat delivered the welcome address and Shamila.V.U gave the vote of thanks. Around 48 students were participated in the webinar.

INDEPENDENCE DAY CELEBRATION

In connection with 75th Independence Day Celebrations on 15th August 2021, Bhoomithrasena Club volunteers planted 75 tree saplings in and around the college campus. BMC members took a pledge to maintain the environment more green and clean. They collected plastic covers and carry bags outside the campus and road sides and disposed properly.

CAMPUS CLEANING AND BEAUTIFICATION

On August 09th 2021, Bhoomithrasena Club members actively participated in cleaning and beautification activities in the college campus. BMC members collected hundreds of seedlings and planted in the grow bags.
