Report on Orientation Programme on 'IN2 IEDC- Be a Job Provider'

Innovation and Entrepreneurship Development Centre and Institution Innovation Council MES Ponnani College jointly organized an Orientation Programme IN2 IEDC- Be a Job Provider, on 16-11-2022 at MSK Hall. More than 250 students from various First year UG and PG programmes attended the session. The resource person for the event was Mr. Julfar T, CEO of IEDC MES Ponnani College. Ms. Nusrath K., Nodal Officer, IEDC has given an introductory talk on the functioning of IEDC in our college. Dr. Rajool Shanis C P, Assistant Nodal Officer, IEDC proposed the vote of thanks.

The purpose of the orientation programme was to provide students with information about the various programs and initiatives of the IEDC and IIC, and to encourage them to become job creators rather than job seekers. Mr. Julfar T delivered a comprehensive and informative presentation on entrepreneurship and innovation, sharing his insights and experiences as a successful entrepreneur and business leader.

The students actively participated in the presentation and asked several questions, seeking guidance on how to turn their ideas into successful business ventures. Mr. Julfar T provided valuable advice and tips, and encouraged the students to pursue their dreams with confidence and determination.

Overall, the orientation programme on 'IN2 IEDC- Be a Job Provider' was a valuable and informative event that helped to inspire and educate the students about entrepreneurship and innovation. The insights and advice provided by Mr. Julfar T were greatly appreciated by the students, who left the event feeling motivated and empowered to pursue their goals. It is hoped that the programme will help to encourage and support the next generation of entrepreneurs and business leaders.

WORKSHOP ON WOMEN AND SOCIAL WORK

"We must accept finite disappointment. But never lose infinite hope". These wordings of Martin Luther King are very true of Ms. Sheeba Ameer, the master brain of Solace, an organization for people fighting cancer. She has been rendering medical and financial aid to people fighting cancer since she lost her teen daughter to Cancer in 2007.

Nirbhaya Women Cell of MES Ponnani College was very delighted to have Ms. Sheeba Ameer as our chief guest to deliver a talk on women and social work on 17 October 2022 at 2 pm in the MSK Hall. The guest's words were an inspiration to many who have been dreaming of turning their empathy into a far-reaching project.

WORKSHOP ON DALIT WOMEN, POLITICS AND SOCIETY

On 28 February 2023, the college conference hall was filled with students and faculty members eager to hear a talk by AK Vinod (poet, and activist) on Dalit women, society and politics. His insightful remarks provided an in-depth understanding of how Dalit women are marginalized in Indian society due to their caste identity. He discussed the various ways through which they have been denied access to basic rights such as education or employment opportunities despite having constitutionally guaranteed equality before the law. Furthermore, he highlighted how their marginalization is further compounded by political systems that deny them representation or a voice within policymaking processes. Overall it was an informative session that left attendees with much food for thought about this important issue.

Report of the program

The Wings of Fire- Differently Abled Cell, IIC and IEDC has organized a workshop on “Disability and Social Inclusion”. This was the first disability awareness programme conducted by Wings of Fire – Differently Abled Cell in the academic year 2022-23. This session has held on 16th February 2023 at MSK Hall from 10.00 am. to 11.30 am. The resource person of this workshop was Mr. Projosh K, Special Educator, URC Ponnani. Social inclusion means that all people have the best opportunities to enjoy life and do well in society – and making sure no one is left out or excluded. The purpose of this workshop is to create an understanding on the relationship between the way people function and how they participate in society, and making sure everybody has the same opportunities to participate in every aspect of life to the best of their abilities and desires. This workshop would be useful for organising and providing social rehabilitation services for people with disabilities, their family members, carers, the elderly and people living on their own who have disabilities; Disability awareness training makes society more confident about communicating with disabled people. 140 Students of BBA, B.Com, BA English and BA Economics (include 30 differently abled students), 22 faculties members and 10 parents were attended this session. Ms. Thajulhusna V.V, Joint Coordinator (Wings of Fire – Differently Abled Cell) gave the welcome speech. Dr. Asha K Moideen, Coordinator (Wings of Fire – Differently Abled Cell) delivered the presidential address and Dr. Ameera V.U, Principal of M.E.S Ponnani College

Report of the program

The Wings of Fire- Differently Abled Cell, IIC and IEDC has organized a Seminar on “Inclusive Education for Differently Abled: A Step towards Equality”. This session was the second disability awareness programme held on 16th February 2023 at MSK Hall from 11.30 a.m. to 1.00 p.m. The resource person of this seminar was Mr. Sreerag Ponnani (JRF Holder and Treasurer of Differently Abled Federation Ponnani). Interaction with differentially abled people in our society

(Interactive sessions with the students from URC)

Date and Time: 27/2/2023 @ 2.00 pm – 5.30 pm

Engaging with individuals with diverse abilities in our community involves creating avenues for interaction and inclusion. The Wings of Fire – Differently Abled Cell recently organized a cultural program for differently abled students from URC Ponnani. This event, conducted in collaboration with the Department of Commerce and Management Studies, IIC, and IEDC, aimed to foster a sense of community and support for these students.

The event kicked off with a warm welcome address by Mr Rafeeqe M.T, followed by a presidential speech from Dr. Siji Verghese V, the Head of the Department of Commerce and Management Studies. Principal V.U Ameera then carried out the inauguration. Mr. Jahfer A, an Assistant Professor at MES Ponnani College, extended felicitations, contributing to the uplifting atmosphere of the occasion. The active participation of 35 special students, along with the enthusiastic engagement of 60 students from the BBA and B.Com programs, contributed to the creation of an inclusive and supportive environment for all involved. Notably, the teachers from the commerce and management studies departments also took part, playing a vital role in ensuring the success of this function. Their involvement added value and expertise, making the event more comprehensive and enriching for everyone.

In the concluding moments, Dr. Asha K Moideen, Coordinator of Wings of Fire, conveyed appreciation and thanks in her concluding vote of thanks. This sequence of addresses and activities underscored the collaborative and supportive spirit of the program towards differently-abled individuals.

It is noteworthy that differently-abled students from nearby areas frequently visit the institution to actively participate in cultural programs, reflecting a commitment to inclusivity and social integration.
