ABOUT MES PONNANI COLLEGE

M.E.S Ponnani College, a Government Aided College affiliated to the University of Calicut, stands as the beacon of higher education, which steers academically browbeaten environs in its voyage towards knowledge. Started in 1968, the college could stride myriad rungs of feats and escalations in this elfin span of time. Being the only higher education centre situated between Tirur and Guruvayoor in the coastal belt of Malappuram district, the college has set out a great voyage to lead a community, which was ensnared in the whirlpool of ignorance and had plunked into the unfathomable trench of neglect, to the green shores of learning. College plays a pivotal position in radiating the light of knowledge to an educationally backward region, which had been carved in the annals of history as “Al-Ilmu Ponnani” (Ponnani the centre of knowledge). At present, it provides higher education to more than 1400 students in five Post Graduate and nine Under Graduate programmes. Among the five post Graduate departments, three departments are recognized as Research Centres by Calicut University. There are 69 Teaching faculties and 24 Non-teaching staff in our college. The college was re-accredited by the NAAC at A level in September 2012. The college is situated in Ponnani municipality area and its campus stretches to the west side of Tippu Sultan road. The National Highway 66, the K.S.R.T.C. bus depot and the private bus stand make commuting very easy for the students. Kuttipuram railway station is 18 kms towards the northeast and Guruvayoor railway station is 29 kms towards the south.
