ABOUT US

The Department of Data Science at MES Ponnani College is a forward-thinking and industry-oriented academic unit committed to shaping skilled professionals in Data Science, Artificial Intelligence, and Analytics. The department focuses on practical learning, innovation, and real-world problem solving, enabling students to meet the demands of the rapidly evolving digital world.

With experienced faculty, modern infrastructure, and a student-centered approach, the department provides strong training in programming, statistics, AI, and machine learning, along with hands-on exposure through projects, internships, and industry interactions.

Affiliated with University of Calicut, the department ensures quality education, skill development, and excellent career opportunities for students.

WHY CHOOSE US?

- High-demand career field
- Strong alumni placement record
- Industry-relevant skills (Data Science, AI, Machine Learning & Data Analytics tools)
- Practical training with projects, internships, industrial visit and real-world case studies in every year
- Diverse career opportunities
- Strong base for higher studies (MSc, MBA, AI, Data Science)
- Degree under University of Calicut
- Multiple exit options (Diploma - Advanced Diploma - Degree)
- MoUs with prominent companies for training and internships
- Active department clubs activities
- Annual Data Fest – ALGO FEST for innovation, competitions, and skill showcase
