JUNE 21-INTERNATIONAL YOGA DAY

On 21st June 2020 is the day of International Yoga day. Yoga is an invaluable contribution to the ancient tradition. It includes the unity of body and mind, thought and action, control and fulfillment, the balance between man and nature, and being healthy by approaching the physical and mental elements. Yoga is not just an exercise, but the realization that we, the world and

nature are one. Instead of celebrating together due to the Corona epidemic, the cadres sat at home and collected photos of them doing yoga. In addition, an online awareness class was conducted.

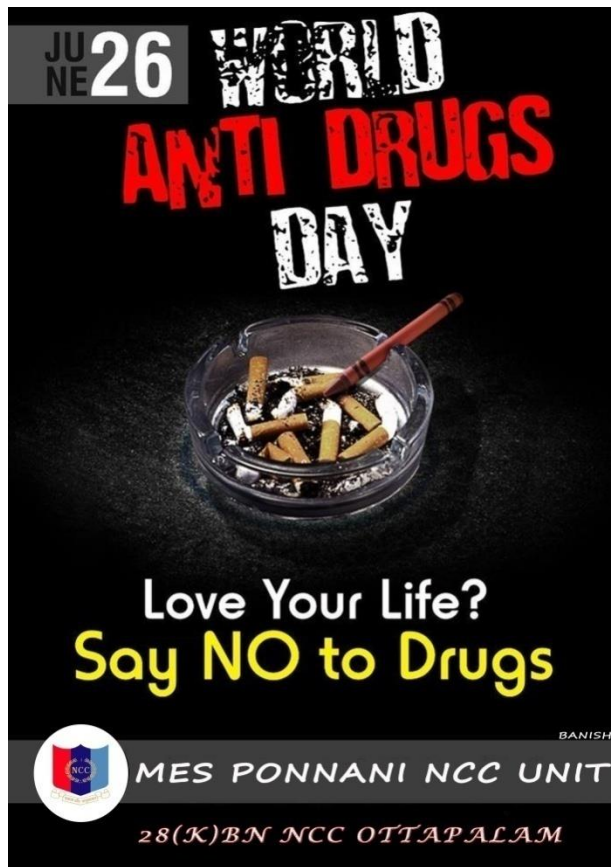

26 JUNE - WORLD ANTI DRUGS DAY

26th June of every year is celebrated as world Anti Drugs Day. As we all know drug abuse is increasing day by day in our society. It is a big social evil and it will destroy our young generation if we give permission to the growth of that. So it is very much important to stop the abusive use of drugs in our society, especially the drug abuse among the youth of our nation. It will spoil the future of our youth and through that it will spoil the future of our country.

Being an NCC Cadet and an Indian citizen it is our responsibility to work against this social evil. We, the cadets of MES Ponnani College were ready for that and made some programmes regarding the issue. The main programme that we had stuck on to was spreading awareness about the harm effects of drug abuse in our society. For that we made an eye catching poster and we made a collage of cadets holding slogans in their hands against drug abuse. We published this poster and collage through social media platforms so that everyone would be able to have

awareness towards the issue. Through that we could spread a big message to the community around us.
