Govt. Aided Institution | Affiliated to the University of Calicut  
Recognized under UGC 2(f) & 12(B) | Estd. : 1968  
NAAC Re-accredited (II Cycle) with 'A' Grade

## **PRINCIPAL'S MESSAGE**

M E S Ponnani College has been established in 1968. This institution plays a pivotal position in radiating the light of knowledge to an educationally backward region, which had been carved in the annals of history as “Al-Ilmu Ponnani” (Ponnani the centre of knowledge). Being the only higher education centre between Tirur and Guruvayur at the coastal belt of Malappuram and Thrissur districts, this academic grove is proactive and single minded in recapturing the lost glory of Ponnani. Our uphill task attained fruitfulness when we were crowned with A Grade in NAAC reaccreditation. This citadel of learning ensures all inclusive and secular atmosphere, thus fulfilling the visions of our founders. I solicit the cooperation of all stakeholders and well wishers to join us to feel the uniqueness of our college.

**Prof. A. M. Rasheed  
(Principal)**
