Parent Teachers Association Feedback - 2014-2015

Sl. No	Queries	Percentage Response (out of 61)		
		ഉണ്ട്/ മെച്ചപ്പെട്ടത്/ അതെ	ഇല്ല/ ശരാശരി/ അല്ല	മെച്ചപ്പെടുത്തേ ണ്ടതുണ്ട് ചിലപ്പോൾ/ മാത്രം/ മെച്ചപ്പെടുത്തണം
1	താങ്കളുടെ മകൻ/ മകൾ കോളേജിൽ വരുന്നതിൽ താല്പര്യം കാണിക്കാറുണ്ടോ?	96.50	3.50	
2	താങ്കളുടെ കുട്ടിക്ക് ഇവിടെ നിന്ന് ലഭിക്കുന്ന വിദ്യാഭ്യാസത്തെ എങ്ങിനെ വിലയിരുത്തുന്നു	43.19	44.75	12.06
3	താങ്കളുടെ മകൻ/മകൾക്ക് അധ്യാപകരുമായി ഇടപഴകുവാനും സംശയ നിവാരണത്തിനും വേണ്ടുന്ന അവസരങ്ങൾ കിട്ടാറുണ്ടോ?	72.37	3.89	23.74
4	കോളേജിലെ ഭൗതിക സൗകര്യങ്ങൾ (ക്ലാസ് മുറികൾ, ലൈബ്രറി, ലബോറട്ടറി, കാമ്പ് നീൻ, ഓഡിറ്റോറിയം തുടങ്ങിയവ) തൃപ്തികരമാണോ?	79.77	20.23	
5	പാഠ്യേതര പ്രവർത്തനങ്ങളിൽ (NCC, NSS കലാകായിക മത്സരങ്ങൾ തുടങ്ങിയവ) തൃപ്തരാണോ?	66.93	12.45	20.62
6	കോളേജ് ഓഫീസിൽ സേവനങ്ങൾ താങ്കളുടെ മകനെ/മകളെ സംബന്ധിച്ചിടത്തോളം തൃപ്തികരമാണോ?	68.87	4.67	26.46
7	കോളേജ്/യൂണിവേഴ്സിറ്റി തലങ്ങളിൽ നടക്കുന്ന പരീക്ഷകളിൽ താങ്കളുടെ കുട്ടിക്ക് ലഭിക്കുന്ന മാർക്കുകൾ യഥാസമയം പരിശോധിക്കാറുണ്ടോ?	84.05	15.95	
8	കോളേജിൽ നിന്നും നൽകുന്ന ഗൃഹപാഠങ്ങളും മറ്റു പഠന പ്രവർത്തനങ്ങളും താങ്കളുടെ കുട്ടി നിർവഹിക്കുന്നതിൽ തങ്ങൾ ശ്രദ്ധിക്കാറുണ്ടോ?	91.83	8.17	
9	ക്ലാസ് പി.ടി.എ/പി.ടി.എ പൊതുയോഗം എന്നിവയിൽ തങ്ങൾ എല്ലായിപ്പോഴും പങ്കെടുക്കാറുണ്ടോ?	69.26	15.95	14.79

Graph1: The parents were asked about the needs and facilities in the college and their student’s education provided by the college. They were asked certain questions and directed to rate them regarding their experience. The first question they were asked to answer is whether their students are interested in studying this college. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. On asking this a total of 100% parents agreed that their students are completely interested in coming to the college.

Graph2: As far as the education a student gets from any institution is concerned with, the parents were asked to rate the education that their students are provided with the institution they are studying. They rated the question in three options which are good, average and needs to improve. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. A percentage of 45 are of the opinion that the education their students are provided with is good, the other majority of 45% said that its average and the last 10% are of the opinion that the educational facility needs improvisation.

Graph3: The next question for which the parents were directed to rate is about the response and guidance the students get from the teachers. They analyzed the question on whether the students get sufficient time to interact with the teachers and also if they are able to clear their doubts regarding their subjects on time. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. On rating this question, a percentage of 70 parents were of the opinion that their students have sufficient time for their interaction with the teachers. 5% of parents completely oppose the former. The remaining 25% shares the opinion that the time their students get for the interaction is not sufficient.

Graph4: In an institution or a college the physical facilities provided for the students is as important for the student's interest in the college and also in acquiring a complete education. The next graph is about whether the physical facilities in the college are satisfactory or not. For this question a total percentage of 80 are of the opinion that the physical facilities are satisfactory. And the remaining 20% said that the physical facilities including class rooms, laboratory, library, canteen and auditorium are not satisfactory. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks.

Graph5: For every institution or college academics is the most important thing that everyone is concerned with. But for each students academics and non academic activities are as important to one another, and also it is worth to the system also. The next graph is about whether the activities apart from academics which include NCC, NSS and other sports activities are satisfactory or not. On analyzing this question the majority of the parents that is 70% are completely satisfied with the programs. But a 10% are not satisfied with the facilities the students get in the zone of non academic

programs. The remaining 20% are of the opinion that the non academic programs provided for the students need improvisation. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks.

Graph6: The next question to which the parents were directed to give an analysis and to rate their opinion is regarding the service of office in the institution which their son/daughter is studying. They were requested to rate the question depending on whether their child is satisfied with the services provided by office. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. To this question the majority of 70% agreed that the office services are satisfactory for their children. 5% declared that their children are not happy with the office. The remaining 25% said that office services need to be improved.

Graph7: The education never limits to the college classroom itself, the students learn from each and every thing surrounding them. The students must have time in their home to revise and memorize the things they learned. And also they need a full support and attention from their parents to complete their works. In the graphical

representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. On asked about whether the parents helps and cares the children in completing the works given from the college, a percentage of 80 are of the opinion that they completely helps their children in their works and the rest 20% rejects the question and says they don't help their child in his works.

Graph8: The next question to which the parents were directed to give an analysis and to rate is about the test papers and the results. Exams are part of the syllabus and the final accreditation is by the university exam. On asked about the test papers the parents were asked whether they constantly check the marks their child scored. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. A percentage of 90 parents said that they regularly checks about their child's marks and test papers but the rest 10% parents' response to this question was in a negative way.

Graph9: The last question to the parents was about the PTA meeting. In every term there will be a PTA meeting so that the parents could get the updates regarding their child's education and progress. As far as the topic is concerned the parents were asked to analyze the question whether they attends the PTA meeting without any negligence. In the graphical representation the vertical line represents the percentage response and the horizontal line represents the feedbacks. On asking this 70% parents said that they attend every meeting without any failure. While 15% said that they never attend the meeting the rest 15% said that they attend the meeting only occasionally.
