Principal's Message

Dear Parents, Students, Colleagues, Alumni and well-wishers,

MES Ponnani College, established in 1968 is unquestionably the best institution run by the Muslim Educational Society, the premier educational organization of Muslims in Kerala. The light it showed to a large section of the people in and around the locality, which is largely inhabited by the minority groups, fisher folk and scheduled castes, and also to the neighboring districts in the Malabar region is quite commendable.

Choosing where to continue your education is a major decision and I believe that MES Ponnani College will be a choice you will not regret; especially if you are ambitious and determined to succeed. MES Ponnani College is a diverse and friendly learning community where students progress well in their studies and we are very proud of their achievements.

The College has substantially contributed to the process of National Development by providing quality education and thereby enabling the students to become globally competent. The college has achieved many feats and climbed new heights. Award of the NAAC's re-accreditation at 'A+' level with a CGPA of 3.46 in the III cycle and participation in the NIRF are some of them.

Our college has the privilege of a healthy and harmonious ambiance. The credit goes to the blessing of our generous college management and the diligence put in by learned teachers. Education is not an act of acquiring knowledge but learning a skill to lead a fruitful life and building one's character. This institution has played a cascading role in the career and personality of innumerable students who have brought laurels to the college, state, and country alike.

With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extracurricular activities that are offered. The overall development of the mind and body is a sign of healthy and complete development.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself and ultimately grow as responsible men and women.

With best wishes and blessing for the upcoming session.

P. P. SHAJID

PRAYER

AL- FATHIHA
(The Invocation)
In the name of GOD,
The Beneficent, The Merciful
Praise be to GOD, Lord of the worlds
The Beneficent, The Merciful
Owner of the Day of judgement
Thee do we worship.
Thee do we ask for help.
Guide us to the right path
The path of those on whom
Thou hast bestowed Thy grace
Not of those who earn Thine anger,
Nor those who go astray.

HOLY QUR-AN

കോളേജ് പ്രാർത്ഥന
അകതാരിൽ അറിവിന്റെ നാളം കൊളുത്തിയ
അഖിലാണ്ഡ നായകാ നിന്റെ മുന്നിൽ
കൃപ തേടി നനവാർന്ന മിഴികൂപ്പി നിൽപ്പൂ
കനവിന്റെ കടലേ കൈ വിടല്ലേ
പല ജാതി, പല ഭാഷ പല ദേശമെങ്കിലും
പലതില്ല ഞങ്ങളിൽ ഒരു ചോര മാത്രം
ഒരുമിച്ചൊരൊറ്റ മനസ്സായി ചരിക്കുവാൻ
തുണയേകി രക്ഷിക്ക ലോകനാഥാ
എരിയുന്ന കരളിൽ കനലാളിക്കത്തുമ്പോൾ
അരുതാത്ത ചിന്തകൾ നിനവിൽ നിന്നുയരുമ്പോൾ
പിടയുന്ന നെഞ്ചിൽ തൃക്കയ്യാൽ സ്നേഹത്തിൻ

THE MUSLIM EDUCATIONAL SOCIETY

The last five decades have witnessed a remarkable transformation in the educational status of Muslims in Kerala, supposedly the most backward in education. The driving force behind this effort has been Muslim Educational Society, the largest educational agency of the Muslim Community in India having thousands of life members and hundreds of institutions.

The movement, started under the great leadership of late Dr. P.K. Abdul Gafoor in 1964 at Calicut, was supported by a large number of professionals and businessmen and in a short span of time, it spread to all Districts, Taluks and even to the Panchayaths in Kerala and other parts of India and abroad. As on today, it is the largest Muslim service organisation in the country. It has also well-established units in Middle East countries like Saudi Arabia, Qatar, Oman, Dubai, Abu Dhabi, Kuwait, etc. and the organisation is growing fast, extending its services further to reach every nook and corner of the world.

MES is the largest corporate educational agency of Muslims in India, with more than 150 institutions including Medical College, Dental College, College of Nursing, Engineering Colleges, Training Colleges, Arts and Science colleges, CBSE schools, State syllabus Higher Secondary Schools and Industrial Training Centres with more than 60,000 students and around 15,000 employees. Hospitals, Orphanages, Old age homes, Special Schools for Mentally Challenged, Cultural complexes and various hostels draw up the broad canvas of the services offered and activities undertaken by the society.

The MES Crest

On top of the MES emblem, the MES legend is inscribed. It is a verse from the Holy Qur-An, which means "Oh Lord! Enlighten Us". The Balance below it is the symbol of the prevailing justice in Islam. The crescent moon and star represent the Muslims all over the world. The Holy Quran, the source of all knowledge, is placed open below. Beside it the flambeau of Islamic culture is held in sturdy hands. The letters "MES" in the middle is the short form for Muslim Educational Society. The coconut trees below denote the scenic beauty of Kerala, the land where Islam and institutions of MES are widely spread. The feather held in hand with bangles shows the importance given to women's literacy and education in Islam. The bottom of the crest shows full name of the organization and the year of inception.

Historical Glimpses of Ponnani

Ponnani is one of the ancient seaports and trade centres on the Malabar Coast. With a glorious past of renowned religious scholars who were the torch-bearers of Islamic knowledge, Ponnani could earn the title "Al-Ilmu Ponnani" (Ponnani, the Centre of Knowledge). It has thus made an indelible imprint on the pages of Kerala history, with reference to the great expeditions of Tippu Sultan and the conquests of the Portugese and the British. It has also produced world famous social reformers, scholars, poets, and artists.

MES Ponnani College - A Profile

The idea of a college at Ponnani actually emanated from the brain of late Dr. P.K. Abdul Gafoor Sahib, while addressing a public meeting organized by M.E.S. Ponnani unit in 1967. In the keynote address, he unequivocally stated that M.E.S. was ready to start a College here at Ponnani, provided that Ponnani M.E.S.

units mobilize the required land and 1 lakh rupees. It was a great source of inspiration for the energetic members of the Ponnani unit. They took it up as a challenge and managed to accomplish all the requirements within a short duration. A sprawling 32 acres of land was obtained from the government and they also raised an amount of 1.25 lakhs rupees by means of public contribution. The long cherished dream thus became a reality when the college came into existence in 1968 under the patronage of M.E.S. President late Dr. P.K. Abdul Gafoor, Sri. E.K. Imbichi Bava and Sri. C.H. Mohammed Koya, being then the Ministers of Kerala.

The college enjoys 2(f) and 12(B) status of UGC and is affiliated to University of Calicut. At present it provides higher education to more than 1700 students in five Post Graduate programmes, ten Under Graduate programmes and two Vocational programmes. Among five Post Graduate departments, three departments are recognized as Research Centres by Calicut University. In addition to this, we have two UGC Career oriented add on courses and department level certificate courses. There are 72 Teaching faculties and 37 Non-teaching staff in our college. The college was re-accredited by the NAAC at A+ with CGPA 3.46 in the third cycle of accreditation in November 2021. Also college has become an ISO 9001:2015 certified institution in March 2023.

Ponnani lies on the western outskirts of Malappuram district. The college is situated in Ponnani municipal area and its campus stretches to the west side of Tippu Sultan road. This is the only higher education centre between Tirur and Guruvayoor in the coastal belt of Malappuram district. The National Highway 66, the K.S.R.T.C. bus depot and the private bus stand make the commuting very easy for the students. Kuttipuram railway station is 18 kms towards northeast and Guruvayoor railway station in 29 kms towards south.

COLLEGE STAFF COUNCIL

The Staff Council, constituted for the academic year (2023-24) as per the Statute of the University of Calicut, consists of the Principal, heads of all the departments, two nominated members from the teaching faculty and the Office Superintendent. The nominated members are:

1) Dr. C. Sreejith, Assistant Professor, Department of Geology
2) Sri. P. K. Abdul Nafih, Assistant Professor, Department of Geology

TEACHING FACULTY HOLDING PROMINENT POSITIONS

Dr. P. V. Jyothi
- Member, Board of Studies (U.G. & P.G.) in Genetics, University of Calicut.

Dr. K. Jayakrishnan
- Member, Board of Studies (U.G.) in Biophysics, University of Calicut.
- Executive Committee Member, APT Kerala Chapter

Dr. V. Siji Verghese
- Member, Board of Studies in Management Studies (PG), University of Calicut.

Dr. A. A. Zubair
- Member, Board of Studies in Aquaculture, University of Calicut
- Member, Board of Studies in Biotechnology
- Member, Board of Studies in Aquaculture
- Chairman, Board of Studies in Aquaculture

Dr. V. K. Brijesh
- Member Senate, University of Calicut.
- Chairman, Board of Studies in Geology (UG & PG) University of Calicut.
- Chairman, Board of Studies in Gemmology & Jewellery Designing, University of Calicut.
- Research guide in Geology, University of Calicut.
- Life Fellow of the Geological Society of India.

▪ Life Fellow of Indian Society of Remote Sensing.

Dr. C. Sreejith

- ▪ Professional Member, Geological Society of America (USA)
- ▪ Professional Member, European Association of Geochemistry (France)
- ▪ Correspondent, IUGS-Heritage Stone Sub Commission (UNESCO)
- ▪ Member, European Geosciences Union (Germany)
- ▪ Professional Member, Geochemical Society (USA)
- ▪ Life Fellow, Geological Society of India (Bangalore)
- ▪ Subject Expert, Staff Selection Committee in Aided Colleges, University of Calicut
- ▪ Subject Expert, Inspection Commission on Programme Affiliation in Colleges, University of Calicut
- ▪ Member, Board of Studies in Geology (Integrated UG & PG), Farook College (Autonomous), Calicut
- ▪ Chairman/Member, Board of Question Paper Setters, B. Sc. (CBCSS) and M.Sc. (CBCSS & CCSS) Geology, University of Kerala
- ▪ Chairman/Member, Board of Question Paper Setters, B. Sc. Geology (CBCSS-OBE), Kannur University
- ▪ Member, Board of Examiners, M.Sc. Applied Geology (CCSS-PG), University of Calicut

Dr. V. Santhosh

- ▪ Member, Board of Studies (UG & PG) in Geology, University of Calicut.
- ▪ Member, Board of Examiners for Ph. D., CUSAT and CESS Trivandrum

Smt. K. Muneera

- ▪ Member, Board of Studies (UG & PG) in Public Administration, University of Calicut

Dr. K. S. Arun Kumar

- ▪ Chairman/Member, Scrutiny Board, B. Sc. (Geology & Environmental Science), University of Kerala

- Chairman /Member, Scrutiny Board, M. Sc. Environmental Sciences, University of Kerala.
- Member, Board of Examiners, M. Sc. Environmental Science, University of Kerala.
- Member, Board of Examiners, M. Sc. Environmental Sciences, University of Calicut.
- Member, Board of Studies in Gemmology, University of Calicut.
- Member, Board of Examiners for Ph. D., KUFOS
- Member, Board of Studies (UG & PG) in Geology, University of Calicut
- Member, Board of Examiners for M. Sc. Environmental Studies, Malayalam University, Tirur, Malappuram

Dr. K. M. Shereena
- Member, Board of Studies (UG) in Zoology, University of Calicut.

Smt. A. V. Fathima
- Member, Board of Studies in Travel &Tourism (Single), University of Calicut.

Dr. P. Jayaram
- Member, International Association of Advanced Materials
- Member, World Academy of Science, Engineering and Technology

Dr. C. P. Rajool Shanis
- Member, Technical Supporting Group, Kerala State Biodiversity Board, Malappuram District.
- Chairman, Board of Examiners, B.Voc. Fish Processing Technology, University of Calicut.

PG Department and Research Centre of Aquaculture and Fishery Microbiology

The Department of Aquaculture and Fishery Microbiology came into being in 1995with the commencement of a postgraduate course. It was sanctioned by the Government of Kerala as an initiation to conduct specialised course in selected areas. Being a specialised course, it attracted students from all over Kerala and Lakshadweep Islands. The Department of Aquaculture and Fishery Microbiology has been actively involved in research and extension activities in the field of Fisheries Science since its inception. In 2006 the Department was elevated to the level of a Research Centre under University of Calicut offering PhD programme in Aquaculture and Fisheries. The linkage developed with other Central (CMFRI, CIFT, CMLRE), State (Fisheries Dept., Matsyafed) and Private institutes and firms in Kerala has given the department an added thrust in its path for transformation in to a unique destination for higher education, research and training.

PROGRAMMES OFFERED

- M. Sc. Aquaculture and Fishery Microbiology
- Ph. D. Taxonomy, Aquatic Biology& Ecology, Fisheries, Fishery microbiology

CERTIFICATE COURSES

- Academic writing for Life science students
- Aquarium Management
- Environmental Microbiology

CLASS TUTORS

Class	Name of the Tutor
I M. Sc. AQFM	Dr. C. P. Rajool Shanis
II M. Sc. AQFM	Dr. A. Riyas

PROGRAMME OUTCOMES

PO1: Students will understand the scale and nature of the global aquaculture industry and the challenges required to develop sustainable solutions.

PO2: Students will learn the need to incorporate social information in fisheries and aquaculture.

PO3: Students will learn how to interpret, represent, and present data in figures and tables in accordance with professional standards.

PO4: Students will learn the use of logic, reasoning, analysis, and synthesis to arrive at defensible conclusions.

PO5: Students will develop and learn about the importance of professional collegiality and team building.

PO6: Students will demonstrate the capacity to clearly and effectively express themselves in oral presentations.

PO7: Students will demonstrate the capacity to clearly and effectively express themselves in written communication.

PO8: Students will demonstrate good interpersonal communication skills in interactions with their peers faculty and staff.

Department of Botany

The Department of Botany established in 1968 initially with pre-University course and gradually as subsidiary course for B. Sc. Zoology programme. In 2020, B. Sc. Botany programme with Zoology and Chemistry as complementary courses has started. The basic discipline of Botany incorporates all areas of study and scientific research related to plants.

E Mail ID: botany@mespni.ac.in

Programme Offered

- B. Sc. Botany

Complementary Courses

- Angiosperm Anatomy & Micro technique
- Cryptogams, Gymnosperms & Plant Pathology
- Morphology, Systematic Botany, Economic Botany, Plant Breeding & Horticulture
- Plant Physiology, Ecology & Genetics

Certificate Course

- Horticulture Techniques

Class Tutors

Class	Name of the Tutor
I B. Sc. Botany	Smt. C.R. Rinsha Shirin
II B. Sc. Botany	Smt. Manasa
III B. Sc. Botany	Dr. V. Musfir Mehaboob

Programme Outcomes

1. Critical Thinking: Take informed actions after identifying the assumptions that frame students thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at their ideas and decisions (intellectual, organizational, and personal) from different perspectives.
2. Problem Solving: Understand and solve problems of relevance to society to meet the specified needs using the knowledge, skills and attitudes acquired.
3. Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.
4. Effective Citizenship: Demonstrate empathetic social concern and equity centered national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

5. Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.
6. Self-directed and Life-long Learning: Acquire the ability to engage in independent and life- long learning in the broadest context of socio-technological changes

DEPARTMENT OF CHEMISTRY

The Department of Chemistry, was established in 1968 has its own goals and objectives from the very beginning. The Department started functioning with two pre-degree science batches with an intake of eighty students in each batch. As the degree Programmes in Geology, Physics and Zoology were started in the years 1978, 1981 and 1982 respectively, since then the subsidiary course chemistry classes have been engaged. In 2001 degree Programme, B. Sc. Industrial Chemistry was started. This Programme has been rechristened as B. Sc. Chemistry during the academic year 2005-2006. In 2020-2021 onwards complementary chemistry course has been offering to the newly sanctioned B. Sc. Botany programme.

PROGRAMME OFFERED
- B. Sc. Chemistry

CERTIFICATE COURSES
- Solid Waste Management
- Basics of Green Chemistry
- Industrial Aspects of Chemistry
- Introduction to Medicinal Chemistry
- Chemistry in Everyday Life
- Chemical Products in Daily Life

COMPLEMENTARY COURSES
- General Chemistry
- Physical Chemistry
- Organic Chemistry
- Physical and Applied Chemistry
- Chemistry Practical

II B. Sc. Chemistry	Dr. C.V. Umesh
III B. Sc. Chemistry	Dr. C. Yusufali

PROGRAMME OUTCOMES
- Inculcate scientific temper as an attitude
- Enrich theoretical and practical skills to gather desired knowledge to expertise in pursuit of their interest and goals

- Solve complex and diverse problems using scientific methods and evaluating the strengths and limitations of their solutions
- Embrace learning experiences that produce environmentally active and informed minds whereby conservation and sustainability of nature becomes priority

DEPARTMENT OF COMMERCE AND MANAGEMENT STUDIES

The Department of Commerce was established in 1975 and has been scaling heights ever since. The Department is enriched by 12 faculty members including 10 regular staff members and 2 Adhoc faculty. At present Department offers two undergraduate programmes (B.Com with ACCA and BBA with CMA) and post graduate (M.Com) programmes which are the most demanded courses of the contemporary academic world. Department of Computer Science

Since its inception in the year 1999, the Department of Computer Science has been functioning with the declared objective of imparting scientific knowledge in the field of Computer Science and to aid the development of the student community and hence the society. The department offers B. Sc. Programme in Computer Science, UGC Career Oriented Add-On Course in Office Automation and Short-term Certificate Courses. The department has well qualified faculty members so as to cater the students into the spiraling demands of the IT industry. Our vision is to be in the frontier of Computer Science and Technology and to produce globally competent graduates with moral values committed to build a vibrant nation. Our mission is to provide a holistic learning ambience for innovation and skill development in computer science and technology, to achieve state prominence by providing outstanding education and to educate students to think critically and creatively in the area of digital technology. The department is sensitized to the need of the students, faculties and society. We are trying to establish more collaborations with institutions of national importance and also with industry. We have been conducting Inter Collegiate IT Fest named Zerone and Inter Departmental Game Fest named Gamora every year, in order to provide opportunity to the students to showcase their ideas and talents. Many extension and outreach programmes are organized by the department every year.

DEPARTMENT OF PG STUDIES & RESEARCH IN GEOLOGY

Geology – Illuminates the past, sustains the present and promotes the future.

The Department of PG Studies and Research in Geology is one of the prestigious departments of MES Ponnani College. The department was established in the year 1978 as an undergraduate department with the introduction of B. Sc. Geology Programme. The year 1981 marked the passing out of the first B. Sc. batch with meritorious achievements, holding first rank at the University level. After twenty years, the department was upgraded as a Post Graduate department during the year 1998 with the introduction of M.Sc. Applied Geology Programme. With two teachers – Dr. K Gopalakrishna and Dr. V A Ayisha - having obtained in-service Ph. D., Degree, the Department was elevated to the status of the research centre in Geology of the University of Calicut in the year 2008. The faculty and the department as a whole is extensively participating in social out-reach and extension programmes. So far, the faculty members successfully completed a number of major and minor research projects funded by UGC, KSCSTE, DST, DoECC etc. During the last four decades, the department was committed to imparting high-quality education related to Earth and Environmental Sciences. The department also conducts quality research on socially and academically relevant aspects. The mission of the department is to: (a) develop geologists, who are competent enough to shoulder global and national responsibilities, (b) inculcate research aptitude among the students, and (c) reach out the society to solve the issues of geological concern. In order to update and bridge the knowledge gap, the department frequently conducts national as well as regional level seminars, symposium and workshops.

Programme Outcomes

B. Sc. Geology

PO1: Critical Thinking: Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.

PO2: Problem Solving: Understand and solve problems of relevance to society to meet the specified needs using the knowledge, skills and attitudes acquired from Humanities/ Sciences/Mathematics/Social Sciences.

PO3: Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.

PO4: Effective Citizenship: Demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

PO5: Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.

PO6: Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes

DEPARTMENT OF ZOOLOGY

Zoology is a branch of Biology that focuses on animals and animal life. Learning Zoology is important, because, the study of animals and communities provides insight into how 'life' works and consequently how we work. Zoology makes a huge impact on our world through the scientific study of the evolution, anatomy, physiology, behaviour, habitats and health of animals and humans. The Department of Zoology was established in 1968 as Department of Biology with pre degree course. Undergraduate course in Zoology was started in the year 1982 with chemistry and botany as subsidiaries. Department offers B. Sc. Zoology (regular) with a sanctioned strength of 36 seats.

As a department engaged in the "Life Sciences", great importance is placed on instilling in the students a deep understanding and appreciation for nature and the need for its preservation and conservation. The department strives to ensure that students take an active role in understanding environmental issues and their responsibility as students of the Zoological Sciences. To this end, the department initiates and conducts several community-based outreach activities which involve the active participation of students to the greatest extent possible. To make the subject colourful, we organize many field trips, institutional visits and nature camps to promote the academic and other cognitive skills to assimilate with mother Nature.

DEPARTMENT OF ARABIC

From the very beginning of the college in 1968, Arabic was a second language to Pre-degree students. When the college upgraded to a Degree college there created an additional teaching post. Now Arabic is a common course to all departments of Sciences, Humanities, Commerce and Management.

E Mail ID: arabic@mespni.ac.in

DEPARTMENT OF HINDI

The Department of Hindi started functioning in 1968 with the establishment of the college. Hindi is taught as a common course under UG level.

E Mail ID: hindi@mespni.ac.in

DEPARTMENT OF HISTORY

The Department of History handles the subsidiary papers of British History of B.A. English main and Modern Indian History for BA Economics. The Department has a good collection of Library books which are in the General Library as part of the centralization process. The Department of History has been functioning with the PG Department of Economics. There is only one full time faculty in the Department. Besides teaching, the Department organizes class wise seminar, debate and prepares students for Quiz competition and Group discussion, so that they can keep pace with the time. The students can express their views independently through their discussions and teacher guides them properly in this regard. Above all, the faculty is always ready to render all possible assistance and guidance to students within and outside the campus as and when required.

DEPARTMENT OF POLITICAL SCIENCE

The Department offers 'Political Science, an Introduction' as the subsidiary paper for B.A. Economics as complementary subject, and B.A. English. The teaching and research programme is based on a comprehensive social science approach that integrates and interrogates sociological, economic, philosophical and cultural dimensions. It encourages a comprehensive study of the field of politics, keeping especially the Indian reality in focus. The Department of Political Science has been attempting to decentre the notions and practices of the political from its conventional moorings in Eurocentric thought and history.

E. Moidu Moulavi Central Library

The college library has an excellent collection of books, journals, magazines and digital resources, apart from that it also includes special collection bearing the legacy of Ponnani. The College library named after E. Moidu Moulavi, one of the prominent freedom fighters, social reformer, scholar and educationist of Malabar District, born at Maranchery in Ponnani.

Library Started in the very first year of establishment 1968 in a class room with 1000 books, constructed an independent building in 2005 with the MP fund (2002) of Korambayil Ahamed Haaji (Rajysabha Memeber), by Nirmithi Kendra, Malappuram with 2950 sq. ft. plinth area, further expanded in 2019 with 1200 sq. ft., now it occupies a total area of more than 4000 sq. ft. and is spread over in two floors.

Currently library has a spacious interior with a large reading area to accommodate 150 students at a time. The whole collection is classified according to DDC 22nd edition and catalogued as per MARC 21. Library automated in the year 2012 with the Book magic software and converted to KOHA ILMS Open-source software in 2018. The books are bar-coded, students and staff of the college also had a membership card with bar-code. This facility improves the accuracy and speed of various jobs in library such as IN /OUT of users, Issue/return of books and stock verification.
