## AL- FATHIHA (The Invocation)

In the name of GOD,  
The Beneficent, The Merciful  
Praise be to GOD, Lord of the worlds  
The Beneficent, The Merciful  
Owner of the Day of judgement  
Thee do we worship.  
Thee do we ask for help.  
Guide us to the right path  
The path of those on whom  
Thou hast bestowed Thy grace  
Not of those who earn Thine anger,  
Nor those who go astray.

**HOLY QUR-AN**

## കോളേജ് പ്രാർത്ഥന

അകതാരിൽ അറിവിന്റെ നാളം കൊളുത്തിയ  
അവിലാസ്യ നായകാ നിന്റെ മുന്നിൽ  
കൃപ തേടി നനവാർന്ന മിഴികൂപ്പി നിൽപ്പൂ  
കനവിന്റെ കടലേ കൈ വിടല്ലേ  
പല ജാതി, പല ഭാഷ പല ദേശമെങ്കിലും  
പലതില്ല ഞങ്ങളിൽ ഒരു ചോര മാത്രം  
ഒരുമിച്ചൊരൊറ്റ മനസ്സായി ചരിക്കുവാൻ  
തുണയേകി രക്ഷിക്ക ലോകനാമാ  
എരിയുന്ന കരളിൽ കനലാളിക്കത്തുമ്പോൾ  
അരുതാത്ത ചിന്തകൾ നിനവിൽ നിന്നുയരുമ്പോൾ  
പിടയുന്ന നെഞ്ചിൽ തൃക്കയ്യാൽ സ്നേഹത്തിൻ  
തെളിനീർ തളിക്കണേ തമ്പുരാനെ  
തെളിനീർ തളിക്കണേ തമ്പുരാനെ

## **Dr. AJIMS P MOHAMMED BE, MBA & PhD**

Dear Parents, Students, Colleagues, Alumni and well-wishers,

MES Ponnani College, established in 1968 is unquestionably the best institution run by the Muslim Educational Society, the premier educational organization of Muslims in Kerala. The light it showed to a large section of the people in and around the locality, which is largely inhabited by the minority groups, fisherfolk and scheduled castes, and also to the neighbouring districts in the Malabar region is quite commendable.

Choosing where to continue your education is a major decision and I believe that MES Ponnani College will be a choice you will not regret, especially if you are ambitious and determined to succeed. MES Ponnani College is a diverse and friendly learning community where students progress well in their studies and we are very proud of their achievements.

The College has substantially contributed to the process of National Development by providing quality education and thereby enabling the students to become globally competent. The college has achieved many feats and climbed new heights. Award of the NAAC's re-accreditation at 'A' level with a CGPA of 3.02 in the II cycle and participation of NIRF, IIC etc are some of them. Sooner we hope to be honoured in the IIIrd cycle of NAAC re-accreditation.

Our college has the privilege to have healthy and harmonious ambience and the credit goes to the blessing of our elite college management and the diligence put in by learned teachers. Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality. This institution has played a cascading role in the carrier and personality of innumerable students who have brought laurels to the college, state, and country alike.

With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extracurricular activities that are offered. The overall development of the mind and body is a sign of healthy and complete development.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women.

With best wishes and blessing for the upcoming session.

**THE MUSLIM EDUCATIONAL SOCIETY**

The last five decades have witnessed the remarkable transformation in the educational status of Muslims in Kerala, supposedly the most backward in education. The driving force behind this effort has been M.E.S., the largest educational agency of the Muslim Community in India having thousands of life members and hundreds of institutions.

The movement started under the great leadership of late Dr. P.K. Abdul Gafoor in 1964 at Calicut, was supported by a large number of professionals and businessmen and in a short span of time, it spread to all Districts, Taluks and even to the Panchayaths in Kerala and other parts of India and abroad. As on today it is the largest Muslim service organisation in the country. It has also well-established units in Middle East countries like Saudi Arabia, Qatar, Oman, Dubai, Abu Dhabi, Kuwait, etc. and still the organisation is growing fast, extending its services further to reach every nook and corner of the world.

MES is the largest corporate educational agency of Muslims in India, with more than 150 institutions including Medical College, Dental College, Engineering Colleges, College of Nursing, Arts and Science colleges, Training Colleges, CBSE schools, State syllabus Higher Secondary Schools and Industrial Training Centres with more than 60,000 students and around 15,000 employees. Hospitals, Orphanages, Old age homes, Special Schools for Mentally Challenged, Cultural complexes and various hostels draw up the broad canvas of the services offered and activities undertaken by the society.

## THE M E S CREST

On top of the MES emblem the MES legend is inscribed. It is a verse from the Holy Qur-An, which means “Oh Lord! Enlighten Us”. The Balance below it is the symbol of the prevailing justice in Islam. The crescent moon and star represent the Muslims all over the world. The Holy Qur-An, the source of all knowledge is placed open below. Beside it the flambeau of Islamic culture is held in sturdy hands. The letters “MES” in the middle is the short form for Muslim Educational Society. The coconut trees below denote the scenic beauty of Kerala, the land where Islam and institutions of MES are widely spread. The feather held in hand with bangles shows the importance given to women literacy and education in Islam. The bottom of the crest is the full name of the organization and the year of inception.

## HISTORICAL GLIMPSES OF PONNANI

Ponnani is one of the ancient seaports and trade centres on the Malabar Coast. With a glorious past of renowned religious scholars who were the torch-bearers of Islamic knowledge, Ponnani could earn the title “Al-Ilmu Ponnani” (Ponnani the Centre of Knowledge). It has thus made an indelible imprint on the pages of Kerala history, with reference to the great expeditions of Tippu Sultan and the conquests of the Portugese and the British. It has also produced world famous social reformers, scholars, poets, and artists.

## M E S PONNANI COLLEGE - A PROFILE

The idea of a college at Ponnani actually emanated from the brain of late Dr. P.K. Abdul Gafoor Sahib, while addressing a public meeting organized by M.E.S. Ponnani unit in 1967. In the keynote address, he unequivocally stated that M.E.S. was ready to start a College here at Ponnani, provided the Ponnani M.E.S.

units mobilize the required land and 1 lakh rupees. It was a great source of inspiration for the energetic members of the Ponnani unit. They took it up as a challenge and managed to accomplish all the requirements within a short duration. A sprawling 32 acres of land was obtained from the government and they also raised an amount of 1.25 lakhs rupees by means of public contribution. The long cherished dream thus became a reality when the college came into existence in 1968 under the patronage of M.E.S. President late Dr. P.K. Abdul Gafoor, Sri. E.K. Imbichi Bava and Sri. C.H. Mohammed Koya, being then the Ministers of Kerala.

The college enjoys 2(f) and 12(B) status of UGC and is affiliated to University of Calicut. At present it provides higher education to more than 1600 students in five Post Graduate programmes and ten Under Graduate programmes. Among five Post Graduate departments, three departments are recognized as Research Centres by Calicut University. In addition to this, we have two UGC Career oriented add on courses and department level certificate courses. There are 68 Teaching faculties and 28 Non-teaching staff in our college. The college was re-accredited by the NAAC at A level in September 2012.

Ponnani lies on the western outskirts of Malappuram district. The college is situated in Ponnani municipal area and its campus stretches to the west side of Tippu Sultan road. This is the only higher education centre between Tirur and Guruvayoor in the coastal belt of Malappuram district. The National Highway 66, the K.S.R.T.C. bus depot and the private bus stand make commuting very easy for the students. Kuttipuram railway station is 18 kms towards northeast and Guruvayoor railway station in 29 kms towards south.

### COLLEGE STAFF COUNCIL

The Staff Council constituted for the academic year (2021-22) as per the Statute of the University of Calicut, consists of the Principal, heads of all the departments, two nominated members from the teaching faculty and the Office Superintendent. The nominated members are:

1. Dr. V. K. Brijesh, Assistant Professor, Department of P.G. Studies & Research in Geology
2. Sri. A. Jahfar, Assistant Professor, Department of Commerce and Management Studies

**TEACHING FACULTY HOLDING PROMINENT POSITIONS****Dr. Ajims P. Mohammed**

- Peer Team Member, National Assessment and Accreditation Council (NAAC) Bangalore
- Certified Corporate Director, Institute of Directors, India
- Research Guide- Management, MG University Kottayam
- Member, Indian Society for Training and Development (ISTD)
- Member, Society of Tropical Forestry Scientists, Jabalpur
- Quality Facilitator, MES Kalladi College, Mannarkkad

**Dr. V. A. Ayisha**

- Fellow of Geological Society of India.
- Chairperson, Board of Studies (U.G. &P.G.) in Geology, University of Calicut.
- Member, Board of Studies (U.G. & P. G.) in Geology, Christ College Irinjalakkuda

**Dr. P. V. Jyothi**

- Member, Board of Studies (U.G. & P.G.) in Genetics, University of Calicut.

**Dr. K. Jayakrishnan**

- Member, Board of Studies (U.G.) in Biophysics, University of Calicut.
- Executive Committee Member, APT Kerala Chapter

**Dr. V. Siji Verghese**

- Member, Board of Studies in Commerce (UG), University of Calicut.

**Dr. A. A. Zubair**

- Member, Board of Studies in Aquaculture, University of Calicut
- Member, Board of Studies in Biotechnology
- Member, Board of Studies in Aquaculture
- Chairman, Board of Studies in Aquaculture

**Dr. V. K. Brijesh**

- Member, Academic Council, University of Calicut

- Chairman, Board of Studies in Gemmology, University of Calicut
- Member, Board of Studies in Geology (UG & PG) University of Calicut
- Member, Board of Studies in Geology (UG & PG), Kannur University
- Recognized research guide of Geology (Calicut University)
- Life Fellow of the Geological Society of India
- Life Fellow of Indian Society of Remote Sensing

**Dr. C. Sreejith**

- Professional Member, Geological Society of America (USA)
- Professional Member, European Association of Geochemistry (France)
- Correspondent, IUGS-Heritage Stone Sub Commission (UNESCO)
- Member, European Geosciences Union (Germany)
- Professional Member, Geochemical Society (USA)
- Life Fellow, Geological Society of India (Bangalore)
- Subject Expert, Staff Selection Committee in Aided Colleges, University of Calicut
- Subject Expert, Inspection Commission on Programme Affiliation in Colleges, University of Calicut
- Member, Board of Studies in Geology (Integrated UG & PG), Farook College (Autonomous), Calicut
- Chairman/Member, Board of Question Paper Setters, B. Sc. (CBCSS) and M.Sc. (CBCSS & CCSS) Geology, University of Kerala
- Chairman/Member, Board of Question Paper Setters, B. Sc. Geology (CBCSS-OBE), Kannur University
- Member, Board of Examiners, M.Sc. Applied Geology (CCSS-PG), University of Calicut

**Dr. V. Santhosh**

- Member, Board of Studies (U.G. & P.G.) in Geology, University of Calicut.

- Member, Board of Examiners for Ph.D., CUSAT and CESS Trivandrum

**Smt. K. Muneera**

- Member, Board of Studies(UG&PG) in Public Administration, University of Calicut

**Dr. K. S. Arun Kumar**

- Chairman/Member, Scrutiny Board, B. Sc. (Geology & Environmental Science), University of Kerala
- Member, Board of Examiners, B. Sc. Geology & Environmental Science, University of Kerala
- Chairman /Member, Scrutiny Board, M. Sc. Environmental Sciences, University of Kerala.
- Member, Board of Examiners, M. Sc. Environmental Science, University of Kerala.
- Member, Board of Examiners, M. Sc. Environmental Sciences, University of Calicut.
- Member, Board of Studies in Gemmology, University of Calicut.
- Member, Board of Examiners for Ph. D., KUFOS
- Member, Board of Studies (UG & PG) in Geology, University of Calicut
- Member, Board of Examiners for M. Sc. Environmental Studies, Malayalam University, Tirur, Malappuram

**Dr. K. M. Shereena**

- Member, Board of Studies in Environmental Science (UG), University of Calicut
- Chairperson, Board of Examinations (UG) in Zoology, University of Calicut.

**Dr. P. Jayaram**

- Member, International Association of Advanced Materials
- Member, World Academy of Science, Engineering and Technology

**Dr. C. P. Rajool Shanis**

- Member, Technical Supporting Group, Kerala State Biodiversity Board, Malappuram District

The background image shows a large, multi-story building with a prominent arched entrance on the left. A sign above the entrance reads "MES PONNANI COLLEGE". The building has a mix of light-colored walls and red brick accents. In the foreground, there is a well-maintained garden with green grass, various plants, and a decorative water feature with a blue base and grey stone-like elements. A yellow horizontal bar is positioned below the text.

# **THE DEPARTMENTS**

## PG DEPARTMENT AND RESEARCH CENTRE OF AQUACULTURE AND FISHERY MICROBIOLOGY

The Department of Aquaculture and Fishery Microbiology came into being in 1995 with the commencement of a postgraduate course. It was sanctioned by the Government of Kerala as an initiation to conduct specialised course in selected areas. Being a specialised course, it attracted students from all over Kerala and Lakshadweep Islands. The Department of Aquaculture and Fishery Microbiology has been actively involved in research and extension activities in the field of fisheries science since its inception. In 2006 the Department was elevated to the level of a Research Centre under University of Calicut offering PhD programme in Aquaculture and Fisheries. The linkage developed with other Central (CMFRI, CIFT, CMLRE), State (Fisheries Dept., Matsyafed) and Private institutes and firms in Kerala has given the department an added thrust in its path for transformation into a unique destination for higher education, research and training.

**PROGRAMME OUTCOMES**

**PO1:** Students will understand the scale and nature of the global aquaculture industry and the challenges required to develop sustainable solutions

**PO2:** Students will learn the need to incorporate social information in fisheries and aquaculture.

**PO3:** Students will learn how to interpret, represent, and present data in figures and tables accordance with professional standards.

**PO4:** Students will learn the use of logic, reasoning, analysis, and synthesis to arrive at defensible conclusions

**PO5:** Students will develop and learn about the importance of professional collegiality and team building

**PO6:** Students will demonstrate the capacity to clearly and effectively express themselves in oral presentations

**PO7:** Students will demonstrate the capacity to clearly and effectively express themselves in written communication.

**PO8:** Students will demonstrate good interpersonal communication skills in interactions with their peers faculty and staff

**PROGRAMME SPECIFIC OUTCOMES**

**PSO1:** Understand the concepts of Aquaculture, Fisheries, Fish biology, Fish physiology, Fish taxonomy, Aquatic ecology and Microbiology

**PSO2:** Understand and apply the analytical techniques and research methodology to acquire the skill in conducting research in the field of fisheries and aquaculture

**PSO3:** Understand the fundamental concepts in the management of aquaculture production systems and hatcheries,

**PSO4:** Understand and apply the concepts of biochemistry and processing technology in the preparation and development of value added fishery products and fish feed for aquaculture.

**PSO5:** Understand and apply the concepts of molecular biology and biotechnology for the improvement of Aquaculture production systems.

**PSO6:** Understand and apply the concepts of quality assurance in Sea food industry

**PSO7:** Understand the concepts and to develop skills to prepare museum specimens and to maintain museum

II B. Sc. Botany	Dr. V. Musfir Mehaboob

**PROGRAMME OUTCOMES**

1. Critical Thinking: Take informed actions after identifying the assumptions that frame students' thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at their ideas and decisions (intellectual, organizational, and personal) from different perspectives.
2. Problem Solving: Understand and solve problems of

relevance to society to meet the specified needs using the knowledge, skills and attitudes acquired.

3. **Effective Communication:** Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.
4. **Effective Citizenship:** Demonstrate empathetic social concern and equity centered national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.
5. **Environment and Sustainability:** Understand the issues of environmental contexts and sustainable development.
6. **Self-directed and Life-long Learning:** Acquire the ability to engage in independent and life-long learning in the broadest context of socio-technological changes

#### **PROGRAMME SPECIFIC OUTCOMES**

1. **Scope and importance of Botany:** Understand scope and importance of Botany in every field especially in dealing with societal and environmental issues, agriculture, ethics and healthcare.
2. **Environmental concern:** Understand the and the role of plants in sustaining life on earth and the interrelationship between human beings and nature, create awareness on natural resources and their importance in sustainable development, analyze the importance of biodiversity conservation, estimate biodiversity loss and develop conservation strategies.
3. **Scientific temper:** Develop scientific temper and undertake scientific projects.
4. **Practical applications:** Identify and classify plants according to the principles of plant systematics, apply techniques like plant propagation methods, organic farming, mushroom cultivation, preparation of bio fertilizers, bio pesticides etc. in daily life.
5. **Awareness on life processes:** Understand plant life processes, biomolecules, basic hereditary and evolutionary principles.

## DEPARTMENT OF CHEMISTRY

The department of chemistry was established in 1968 has its own goals and objectives from the very beginning. Department started functioning with two pre-degree science batches with intake eighty students in each batch. As degree Programmes in Geology, Physics and Zoology were started in the years 1978, 1981 and 1982 respectively, since then subsidiary chemistry classes have been engaged. In 2001 degree Programme, B. Sc. Industrial Chemistry was started. This Programme has been rechristened as B. Sc. Chemistry during the academic year 2005-2006. In 2021 complementary chemistry course was offered for the newly sanctioned programme BSc. Botany.

## **DEPARTMENT OF COMPUTER SCIENCE**

Since its inception in the year 1999, the Department of Computer Science has been functioning with the declared objective of imparting scientific knowledge in the field of computer science and to aid the development of student community and hence the society. The department offers B. Sc. Programme in Computer Science, UGC Career Oriented Add-On Course in Office Automation and Short-term Certificate Courses. The department has well qualified faculty members so as to cater the students into the spiraling demands of the IT industry. Our Vision is to be in the frontier of Computer Science and Technology and to produce globally competent graduates with moral values committed to build a vibrant nation. Our Mission include, to provide a holistic learning ambience for innovation and skill development in computer science and technology, to achieve state prominence by providing outstanding education and to educate students to think critically and creatively in the area of digital technology. The department is sensitized to the need of the students, faculties and society. We are trying to establish more collaborations with institutions of national importance and with industry. We have been conducting Inter Collegiate IT Fest named Zerone and Inter Department Game Fest named Gamora every year, in order to provide opportunity to the students to showcase their ideas and talents. Many extension and outreach programmes are organized by the departments every year.

## DEPARTMENT OF PG STUDIES & RESEARCH IN GEOLOGY

*Geology – Illuminates the past, sustains the present and promotes the future.*

The Department of PG Studies and Research in Geology is one of the prestigious departments of MES Ponnani College. The department was established in the year 1978 as an undergraduate department with the introduction of B. Sc. Geology Programme. The year 1981 marked the passing out of the first B. Sc. batch with meritorious achievements, holding first rank at the University level. After twenty years, the department was upgraded as a Post Graduate department during the year 1998 with the introduction of M.Sc. Applied Geology Programme. With two teachers – Dr. K Gopalakrishna and Dr. V A Ayisha - having obtained in-service Ph.D., Degree, the Department was elevated to the status of a research centre in Geology of the University of Calicut in the year 2008. The faculty and the department as a whole is extensively participating in social out-reach and extension programmes. So far, the faculty members successfully completed a number of major and minor research projects funded by UGC, KSCSTE, DST, DoECC etc. During the last four decades, the department was committed to imparting high-quality education related to Earth and Environmental Sciences. The department also conducts quality research on socially and academically relevant aspects. The mission of the department is to: (a) develop geologists, who are competent enough to shoulder global and national responsibilities, (b) inculcate research aptitude among the students, and (c) reach out the society to solve the issues of geological concern. In order to update and bridge the

**PROGRAMME SPECIFIC OUTCOMES****B. SC. GEOLOGY**

**PSO1:** Understand the nature and basic concepts of Physical geology, Geomorphology, and Historical Geology.

**PSO2:** Understand the physical, chemical and optical characteristics of rocks and minerals, their economic aspects and distribution.

**PSO3:** Understand the structural aspects of rock formations, global tectonics and earth dynamics.

**PSO4:** Understand the applications of geoscience in

environmental planning and management.

**M.SC. APPLIED GEOLOGY**

**PSO1:** Apply the concepts of Physical geology, Geomorphology, and Historical Geology.in solving problems and taking decisions.

**PSO2:** Understand the physical, chemical and optical characteristics of rocks and minerals, their economic aspects and distribution so as to suggest and promote the wise use of the resources.

**PSO3:** Understand the structural aspects of rock formations, global tectonics and earth dynamics in order to help the society in understanding and managing natural disasters, wherever possible.

**PSO4:** Discuss the applications of geoscience in environmental planning and management.

**PROGRAMME OUTCOMES**

To understand and apply the concepts of Physics in different walks of life.

**PROGRAMME SPECIFIC OUTCOMES**

**PSO1:** Understand the basic concepts of fundamentals of mechanics, properties of matter and electrodynamics

**PSO2:** Understand the theoretical basis of quantum mechanics, relativistic physics, nuclear physics, optics, spectroscopy, solid state physics, astrophysics, statistical physics, photonics and thermodynamics

**PSO3:** Understand and apply the concepts of electronics in the designing of different analog and digital circuits

**PSO4:** Understand the basics of computer programming and numerical analysis

**PSO5:** Apply and verify theoretical concepts through laboratory experiments

## DEPARTMENT OF ZOOLOGY

Zoology is a branch of biology that focuses on animals and animal life. Learning Zoology is important, because, the study of animals and communities provides insight into how 'life' works and consequently how we work. Zoology makes a huge impact on our world through the scientific study of the evolution, anatomy, physiology, behaviour, habitats and health of animals and humans. The Department of Zoology was established in 1968 as Department of Biology with pre degree course. Undergraduate course in Zoology was started in the year 1982 with chemistry and botany as subsidiaries. Department offers B. Sc. Zoology (regular) with a sanctioned strength of 36 seats.

As a department engaged in the "Life Sciences", great importance is placed on instilling in the students a deep understanding and appreciation for nature and the need for its preservation and conservation. The department strives to ensure that students take an active role in understanding environmental issues and their responsibility as students of the Zoological Sciences. To this end, the department initiates and conducts several community-based outreach activities which involve the active participation of students to the greatest extent possible. To make the subject colourful, we organize many field trips, institutional visits and nature camps to promote the academic and other cognitive skills to assimilate with mother Nature.

**PROGRAMME OUTCOMES**

**PO1:** Critical Thinking: Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.

**PO2:** Problem Solving: Understand and solve the problems of relevance to society to meet the specified needs using the knowledge, skills and attitudes acquired from humanities/

sciences/mathematics/social sciences.

**PO3:** Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.

**PO4:** Effective Citizenship: Demonstrate empathetic social concern and equity centered national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

**PO5:** Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.

**PO6:** Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context of socio technological changes.

### **PROGRAMME SPECIFIC OUTCOMES**

- Understand the biological diversity and grades of complexity of various animal forms through their systematic classification and process of organic evolution.
- Understand the roles of plants, animals and microbes in the sustainability of the environment and their interaction among themselves and deterioration of the environment due to anthropogenic activities.
- Understand the concepts and principles of biochemistry, immunology, physiology, ethology, endocrinology, developmental biology, cell biology, genetics, molecular biology and microbiology and develop technical skills in biotechnology, bioinformatics and biostatistics
- Perform laboratory procedures as per standard protocols in the areas of animal diversity, systematics, cell biology, genetics, biochemistry, molecular biology, microbiology, physiology, immunology, developmental biology, environmental biology, ethology, evolution and science methodology.

**DEPARTMENT OF HISTORY**

The Department of History handles the subsidiary papers of British History of B.A English Main and Modern Indian History for BA Economics. The Department had a good collection of Library books which have in the General Library as part of the centralization process. The Department of History is attached to the PG Department of Economics. There is only one full time faculty in the Department. Many students of the Department have established themselves in various sectors, especially as

accomplished teachers in various H.S. Schools and Degree Colleges and keep touch with the Department as Alumni. Besides teaching, the Department organizes class wise seminar, debate and prepares students for Quiz competition and Group discussion, so that they can keep pace with the time. The students can express their views independently through their discussions and teacher guides them properly in this regard. Above all, the faculty is always ready to render all possible assistance and guidance to students within and outside the campus as and when required.

## E.MOIDU MOULAVI CENTRAL LIBRARY

The college library have an excellent collection of books, journals, magazines and digital resources, apart from that it also inculcate special collection bearing the legacy of Ponnani. College library named after E-Moidu Moulavi one of the prominent freedom fighter, social reformer, scholar and educationist of Malabar District, born at Maranchery in Ponnani.

Library Started in the very first year of establishment 1968 in a class room with 1000 books, constructed independent building in 2005 with the MP fund (2002) of Korambayil Ahamed Haaji (Rajysabha Memeber), by Nirmithi Kendra, Malappuram with 2950 sq ft plinth area, further expanded in 2019 with 1200 sq ft, now it occupies a total area of more than 4000 sq ft and spread over in two floors.

Currently library had a spacious interior with a large reading area to accommodate 150 students at a time. The whole collection is classified according to DDC 22<sup>nd</sup> edition and catalogued as per MARC 21. Library automated in the year 2012 with the Book magic software and converted to KOHA ILMS Open source software in 2018. The books are bar-coded, students and staff of the college also had a membership card with bar-code. This facility improves the accuracy and speed of various jobs in library such as IN /OUT of users, Issue/return of books and stock verification.

## ADMINISTRATIVE & ACADEMIC SUPPORTING WINGS

**Planning Board:** The Planning Board meets at the beginning of the academic year to plan the academic, co-curricular and extracurricular activities to be undertaken for the year. The requirements in infrastructural facilities are brought to the notice of the management. The project proposals submitted by the various departments are discussed in detail and funds made available to execute approved projects.

**Internal Quality Assurance Cell (IQAC):** Internal Quality Assurance Cell is a body for performance evaluation, assessment and accreditation and quality upgradation of the college. IQAC develops a system for conscious, consistent and catalytic improvement in the performance of the institution. Since, Quality Enhancement is a continuous process, the IQAC will work towards realizing the goals of quality enhancement and sustenance. Further, it will channelize the efforts and measures of institution towards academic excellence.

**CBCSSUG Monitoring Committee:** Calicut University regulations are framed in accordance with UGC guidelines on restructuring undergraduate education from 2009-10 academic year. Accordingly, all affiliated colleges have restructured the regular undergraduate programs on the Choice Based Credit Semester System (CBCSS), a combination of internal and external evaluation with grading. Later the system was made applicable to the School of Distance Education too. Now, a revised regulation for the UG Choice Based Credit Semester System is being prepared for ensuring quality and learner centeredness. It is called as the Regulations for Choice Based Credit and Semester System for Undergraduate (UG) Curriculum -2019.

Every programme conducted under the Choice Based Credit and Semester System in a college shall be monitored by the College Council and every UG programme conducted under CBCSS UG in SDE/Private Registration shall be monitored by the Director, SDE

**Parent Teacher Association:** A Parent Teacher Association is actively functioning in the college for the welfare of the students and keeping good relationship between parents and teachers. The general body of parents and teachers meet every year to elect an executive committee with the principal as the Chairman and a member of the teaching staff as Secretary. The committee supports various activities of the college, implements

and executes welfare schemes for the student and is instrumental in keeping the general discipline of the campus.

**Covid-19 Cell:** Our College is continually monitoring latest advice from Central Government of India and Kerala State Government about the pandemic situation.

With the warning of Second Wave corona spread, an awareness campaign has been conducted by the Covid Cell of MES Ponnani College. Awareness posters and pamphlets were distributed in public places and homes that aims to highlight the impact of Covid-19 among the public and the need of taking Covid Vaccination. The Campaign was launched and has been led by the Principal.

**Anti Ragging Cell:** As per the direction of the Hon. Supreme Court of India on Ragging and other orders of various authorities, ragging in any form inside and outside the college campus will be seriously dealt with. Ragging is a criminal offence. Any type of behaviour including gestures, talk or hurting the self-esteem of the person will come under the purview of ragging. Any such incident reported will lead to immediate expulsion of the student from the college. The case will be handed over to the police immediately. Culprits will be banned from undergoing education for three years in a recognised institution anywhere in India.

**ASAP:** Additional Skill Acquisition Programme (ASAP) under the Government of Kerala's Higher Education Department has a legacy of 8 years in the domain of skill development. ASAP has

trained over two lakh students in Higher Secondary schools, Undergraduate colleges and Technical Education institutions of the State of Kerala. ASAP skill classes are different from the regular academic pedagogy offered in schools and colleges. ASAP offers training in 85 NSQF aligned skill courses in 23 skill sectors. The 150 hours mandatory internship is a hallmark of ASAP's skill training.

ASAP has always foreseen changes and came up with proactive measures to create a skilled population in all emerging sectors. ASAP's novel intervention, Advanced Skill Development Centres (ASDCs) provides advanced futuristic skill courses in 111 Engineering and Polytechnic institutions across the State. The 16 Community Skill Parks (CSPs) established in all districts is a one stop destination for skill development with a purview to encourage community skilling keeping in mind the community aspirations. ASAP continues to put efforts in translating the requirements of the industry into skill programmes that will raise the standard of employability of the Kerala youth.

**Career Guidance Cell:** The Career Guidance Cell at MES Ponnani College functions under the direct control and directions of the Principal of the College. The objective of the cell is to identify the talents available among the students of the College and nurture and harness them further and offer guidance to choose a bright and right career.

The activities of the cell include collecting the database of the students and compiling them for use when needed. The Career Guidance Cell organizes seminars and meetings to encourage the students to plan their future. Though the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skills available among the students, our college is on making its way. To achieve this goal, the career Guidance coordinator and students participated in workshops and expos. As well as we conducted some seminars on Higher Education at Central Universities and GDs and Personality development Classes.

We hope many companies, organizations and Universities will visit MES Ponnani College by next academic years onwards and offer their services and training methodology to improve and gear up the students of MES Ponnani College.
