AL- FATHIHA **(The Invocation)**

In the name of GOD,
The Beneficent, The Merciful
Praise be to GOD, Lord of the worlds
The Beneficent, The Merciful
Owner of the Day of judgement
Thee do we worship.
Thee do we ask for help.
Guide us to the right path
The path of those on whom
Thou hast bestowed Thy grace
Not of those who earn Thine anger,
Nor those who go astray.

Principal's Message

Dr. AMEERA V. U. **MA & PhD**

Dear Parents, Students, Colleagues, Alumni and well-wishers,

MES Ponnani College, established in 1968 is unquestionably the best institution run by the Muslim Educational Society, the premier educational organization of Muslims in Kerala. The light it showed to a large section of the people in and around the locality, which is largely inhabited by the minority groups, fisherfolk and scheduled castes, and also to the neighbouring districts in the Malabar region is quite commendable.

Choosing where to continue your education is a major decision and I believe that MES Ponnani College will be a choice you will not regret, especially if you are ambitious and determined to succeed. MES Ponnani College is a diverse and friendly learning community where students progress well in their studies and we are very proud of their achievements.

The College has substantially contributed to the process of National Development by providing quality education and thereby enabling the students to become globally competent. The college has achieved many feats and climbed new heights. Award of the NAAC's re-accreditation at 'A' level with a CGPA of 3.02 in the II cycle and participation of NIRF, IIC etc are some of them. Sooner we hope to be honoured in the IIIrd cycle of NAAC re-accreditation.

Our college has the privilege to have healthy and harmonious ambience and the credit goes to the blessing of our elite college management and the diligence put in by learned teachers. Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality. This institution has played a cascading role in the carrier and personality of innumerable students who have brought laurels to the college, state, and country alike.

With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extracurricular activities that are offered. The overall development of the mind and body is a sign of healthy and complete development.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women.

With best wishes and blessing for the upcoming session.

THE MUSLIM EDUCATIONAL SOCIETY

The last five decades have witnessed a remarkable transformation in the educational status of Muslims in Kerala, supposedly the most backward in education. The driving force behind this effort has been Muslim Educational Society, the largest educational agency of the Muslim Community in India having thousands of life members and hundreds of institutions.

The movement, started under the great leadership of late Dr. P.K. Abdul Gafoor in 1964 at Calicut, was supported by a large number of professionals and businessmen and in a short span of time, it spread to all Districts, Taluks and even to the Panchayaths in Kerala and other parts of India and abroad. As on today, it is the largest Muslim service organisation in the country. It has also well-established units in Middle East countries like Saudi Arabia, Qatar, Oman, Dubai, Abu Dhabi, Kuwait, etc. and the organisation is growing fast, extending its services further to reach every nook and corner of the world.

MES is the largest corporate educational agency of Muslims in India, with more than 150 institutions including Medical College, Dental College, College of Nursing, Engineering Colleges, Training Colleges, Arts and Science colleges, CBSE schools, State syllabus Higher Secondary Schools and Industrial Training Centres with more than 60,000 students and around 15,000 employees. Hospitals, Orphanages, Old age homes, Special Schools for Mentally Challenged, Cultural complexes and various hostels draw up the broad canvas of the services offered and activities undertaken by the society.

THE MES CREST

On top of the MES emblem, the MES legend is inscribed. It is a verse from the Holy Qur-An, which means “Oh Lord! Enlighten Us”. The Balance below it is the symbol of the prevailing justice in Islam. The crescent moon and star represent the Muslims all over the world. The Holy Quran, the source of all knowledge, is placed open below. Beside it the flambeau of Islamic culture is held in sturdy hands. The letters “MES” in the middle is the short form for Muslim Educational Society. The coconut trees below denote the scenic beauty of Kerala, the land where Islam and institutions of MES are widely spread. The feather held in hand with bangles shows the importance given to women’s literacy and education in Islam. The bottom of the crest shows full name of the organization and the year of inception.

HISTORICAL GLIMPSES OF PONNANI

Ponnani is one of the ancient seaports and trade centres on the Malabar Coast. With a glorious past of renowned religious scholars who were the torch-bearers of Islamic knowledge, Ponnani could earn the title “Al-Ilmu Ponnani” (Ponnani, the Centre of Knowledge). It has thus made an indelible imprint on the pages of Kerala history, with reference to the great expeditions of Tippu Sultan and the conquests of the Portugese and the British. It has also produced world famous social reformers, scholars, poets, and artists.

MES PONNANI COLLEGE - A PROFILE

The idea of a college at Ponnani actually emanated from the brain of late Dr. P.K. Abdul Gafoor Sahib, while addressing a public meeting organized by M.E.S. Ponnani unit in 1967. In the keynote address, he unequivocally stated that M.E.S. was ready to start a College here at Ponnani, provided that Ponnani M.E.S.

units mobilize the required land and 1 lakh rupees. It was a great source of inspiration for the energetic members of the Ponnani unit. They took it up as a challenge and managed to accomplish all the requirements within a short duration. A sprawling 32 acres of land was obtained from the government and they also raised an amount of 1.25 lakhs rupees by means of public contribution. The long cherished dream thus became a reality when the college came into existence in 1968 under the patronage of M.E.S. President late Dr. P.K. Abdul Gafoor, Sri. E.K. Imbichi Bava and Sri. C.H. Mohammed Koya, being then the Ministers of Kerala.

The college enjoys 2(f) and 12(B) status of UGC and is affiliated to University of Calicut. At present it provides higher education to more than 1700 students in five Post Graduate programmes, ten Under Graduate programmes and two Vocational programmes. Among five Post Graduate departments, three departments are recognized as Research Centres by Calicut University. In addition to this, we have two UGC Career oriented add on courses and department level certificate courses. There are 72 Teaching faculties and 37 Non-teaching staff in our college. The college was re-accredited by the NAAC at A+ with CGPA 3.46 in the third cycle of accreditation in November 2021.

Ponnani lies on the western outskirts of Malappuram district. The college is situated in Ponnani municipal area and its campus stretches to the west side of Tippu Sultan road. This is the only higher education centre between Tirur and Guruvayoor in the coastal belt of Malappuram district. The National Highway 66, the K.S.R.T.C. bus depot and the private bus stand make the commuting very easy for the students. Kuttipuram railway station is 18 kms towards northeast and Guruvayoor railway station in 29 kms towards south.

- Member, Technical Supporting Group, Kerala State Biodiversity Board, Malappuram District.
- Chairman, Board of Examiners, B.Voc. Fish Processing Technology, University of Calicut.

PG DEPARTMENT AND RESEARCH CENTRE OF AQUACULTURE AND FISHERY MICROBIOLOGY

The Department of Aquaculture and Fishery Microbiology came into being in 1995 with the commencement of a postgraduate course. It was sanctioned by the Government of Kerala as an initiation to conduct specialised course in selected areas. Being a specialised course, it attracted students from all over Kerala and Lakshadweep Islands. The Department of Aquaculture and Fishery Microbiology has been actively involved in research and extension activities in the field of Fisheries Science since its inception. In 2006 the Department was elevated to the level of a Research Centre under University of Calicut offering PhD programme in Aquaculture and Fisheries. The linkage developed with other Central (CMFRI, CIFT, CMLRE), State (Fisheries Dept., Matsyafed) and Private institutes and firms in Kerala has given the department an added thrust in its path for transformation into a unique destination for higher education, research and training.

I M. Sc. AQFM	Smt. K. S. Nisha
II M. Sc. AQFM	Dr. C. P. Rajool Shanis

PROGRAMME OUTCOMES

PO1: Students will understand the scale and nature of the global aquaculture industry and the challenges required to develop sustainable solutions.

PO2: Students will learn the need to incorporate social information in fisheries and aquaculture.

PO3: Students will learn how to interpret, represent, and present data in figures and tables in accordance with professional standards.

PO4: Students will learn the use of logic, reasoning, analysis, and synthesis to arrive at defensible conclusions.

PO5: Students will develop and learn about the importance of professional collegiality and team building.

PO6: Students will demonstrate the capacity to clearly and effectively express themselves in oral presentations.

PO7: Students will demonstrate the capacity to clearly and effectively express themselves in written communication.

PO8: Students will demonstrate good interpersonal communication skills in interactions with their peers faculty and staff.

I B. Sc. Botany	Smt. C.R. Rinsha Shirin
II B. Sc. Botany	Dr. P. Soumya
III B. Sc. Botany	Dr. V. Musfir Mehaboob

PROGRAMME OUTCOMES

1. **Critical Thinking:** Take informed actions after identifying the assumptions that frame students thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at their ideas and decisions (intellectual, organizational, and personal) from different perspectives.
2. **Problem Solving:** Understand and solve problems of relevance to society to meet the specified needs using the knowledge, skills and attitudes acquired.
3. **Effective Communication:** Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.
4. **Effective Citizenship:** Demonstrate empathetic social concern and equity centered national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

5. Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.
6. Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context of socio-technological changes

DEPARTMENT OF CHEMISTRY

The Department of Chemistry, was established in 1968 has its own goals and objectives from the very beginning. The Department started functioning with two pre-degree science batches with an intake of eighty students in each batch. As the degree Programmes in Geology, Physics and Zoology were started in the years 1978, 1981 and 1982 respectively, since then the subsidiary course chemistry classes have been engaged. In 2001 degree Programme, B. Sc. Industrial Chemistry was started. This Programme has been rechristened as B. Sc. Chemistry during the academic year 2005-2006. In 2020-2021 onwards complementary chemistry course has been offering to the newly sanctioned B. Sc. Botany programme.

DEPARTMENT OF COMMERCE AND MANAGEMENT STUDIES

The Department of Commerce was established in 1975 and has been scaling heights ever since. The Department is enriched by 12 faculty members including 10 regular staff members and 2 Adhoc faculty. At present Department offers two undergraduate programmes (B.Com with ACCA and BBA with CMA) and post graduate (M.Com) programmes which are the most demanded courses of the contemporary academic world. The Department has the glorious record of having achieved enormous number of JRF/NET holders and secured many rank holders in the University examinations. Currently, department has 7 MoUs with different reputed institutes and 11 collaborations with reputed institutions.

DEPARTMENT OF COMPUTER SCIENCE

Since its inception in the year 1999, the Department of Computer Science has been functioning with the declared objective of imparting scientific knowledge in the field of Computer Science and to aid the development of the student community and hence the society. The department offers B. Sc. Programme in Computer Science, UGC Career Oriented Add-On Course in Office Automation and Short-term Certificate Courses. The department has well qualified faculty members so as to cater the students into the spiraling demands of the IT industry. Our vision is to be in the frontier of Computer Science and Technology and to produce globally competent graduates with moral values committed to build a vibrant nation. Our mission is to provide a holistic learning ambience for innovation and skill development in computer science and technology, to achieve state prominence by providing outstanding education and to educate students to think critically and creatively in the area of digital technology. The department is sensitized to the need of the students, faculties and society. We are trying to establish more collaborations with institutions of national importance and also with industry. We have been conducting Inter Collegiate IT Fest named Zerone and Inter Departmental Game Fest named Gamora every year, in order to provide opportunity to the students to showcase their ideas and talents. Many extension and outreach programmes are organized by the department every year.

DEPARTMENT OF PG STUDIES & RESEARCH IN GEOLOGY

Geology – Illuminates the past, sustains the present and promotes the future.

The Department of PG Studies and Research in Geology is one of the prestigious departments of MES Ponnani College. The department was established in the year 1978 as an undergraduate department with the introduction of B. Sc. Geology Programme. The year 1981 marked the passing out of the first B. Sc. batch with meritorious achievements, holding first rank at the University level. After twenty years, the department was upgraded as a Post Graduate department during the year 1998 with the introduction of M.Sc. Applied Geology Programme. With two teachers – Dr. K Gopalakrishna and Dr. V A Ayisha - having obtained in-service Ph. D., Degree, the Department was elevated to the status of the research centre in Geology of the University of Calicut in the year 2008. The faculty and the department as a whole is extensively participating in social out-reach and extension programmes. So far, the faculty members successfully completed a number of major and minor research projects funded by UGC, KSCSTE, DST, DoECC etc. During the last four decades, the department was committed to imparting high-quality education related to Earth and Environmental Sciences. The department also conducts quality research on socially and academically relevant aspects. The mission of the department is to: (a) develop geologists, who are competent enough to shoulder global and national responsibilities, (b) inculcate research aptitude among the students, and (c) reach out the society to solve the issues of geological concern. In order to update and bridge the knowledge gap, the department frequently conducts national as well as regional level seminars, symposium and workshops.

M.SC. APPLIED GEOLOGY

PO1: Critical Thinking: Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.

PO2: Problem Solving: Understand and solve problems of relevance to society to meet the specified needs using the knowledge, skills and attitudes acquired from humanities/sciences/mathematics/social sciences.

PO3: Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.

PO4: Effective Citizenship: Demonstrate empathetic social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

PO5: Environment and Sustainability: Understand the issues of environmental contexts and sustainable development.

PO6: Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes

DEPARTMENT OF ZOOLOGY

Zoology is a branch of Biology that focuses on animals and animal life. Learning Zoology is important, because, the study of animals and communities provides insight into how 'life' works and consequently how we work. Zoology makes a huge impact on our world through the scientific study of the evolution, anatomy, physiology, behaviour, habitats and health of animals and humans. The Department of Zoology was established in 1968 as Department of Biology with pre degree course. Undergraduate course in Zoology was started in the year 1982 with chemistry and botany as subsidiaries. Department offers B. Sc. Zoology (regular) with a sanctioned strength of 36 seats.

As a department engaged in the "Life Sciences", great importance is placed on instilling in the students a deep understanding and appreciation for nature and the need for its preservation and conservation. The department strives to ensure that students take an active role in understanding environmental issues and their responsibility as students of the Zoological Sciences. To this end, the department initiates and conducts several community-based outreach activities which involve the active participation of students to the greatest extent possible. To make the subject colourful, we organize many field trips, institutional visits and nature camps to promote the academic and other cognitive skills to assimilate with mother Nature.

DEPARTMENT OF ARABIC

From the very beginning of the college in 1968, Arabic was a second language to Pre-degree students. When the college upgraded to a Degree college there created an additional teaching post. Now Arabic is a common course to all departments of Sciences, Humanities, Commerce and Management.

E Mail ID: arabic@mesponnanicollege.ac.in

DEPARTMENT OF HINDI

The Department of Hindi started functioning in 1968 with the establishment of the college. Hindi is taught as a common course under UG level.

E Mail ID: hindi@mesponnanicollege.ac.in

DEPARTMENT OF HISTORY

The Department of History handles the subsidiary papers of British History of B.A. English main and Modern Indian History for BA Economics. The Department has a good collection of Library books which are in the General Library as part of the centralization process. The Department of History has been functioning with the PG Department of Economics. There is only one full time faculty in the Department. Besides teaching, the Department organizes class wise seminar, debate and prepares students for Quiz competition and Group discussion, so that they can keep pace with the time. The students can express their views independently through their discussions and teacher guides them properly in this regard. Above all, the faculty is always ready to render all possible assistance and guidance to students within and outside the campus as and when required.

DEPARTMENT OF MALAYALAM

Department of Malayalam started functioning part of the Pre-Degree course in 1968, right from the inception of MES Ponnani College. Degree courses were introduced in the year 1975. Malayalam has been taught under Common course for UG courses.

E Mail ID: malayalam@mesponnanicollege.ac.in

DEPARTMENT OF MATHEMATICS

Department of Mathematics was established in 1970. Department offers Complementary Mathematics course from 1981 onwards.

E Mail ID: maths@mesponnanicollege.ac.in

DEPARTMENT OF PHYSICAL EDUCATION

The department is committed to creating a healthy generation through the medium of Physical Activities, Sports and Games. The vision of the department is the joy of healthy living through physical dynamism. The mission includes to train students to be physically fit, mentally sound and emotionally balanced through systematic and organized physical activities to create healthy generation for the better world.

E Mail ID: dpe@mesponnanicollege.ac.in

DEPARTMENT OF POLITICAL SCIENCE

The Department offers 'Political Science, an Introduction' as the subsidiary paper for B.A. Economics as complementary subject, and B.A. English. The teaching and research programme is based on a comprehensive social science approach that integrates and interrogates sociological, economic, philosophical and cultural dimensions. It encourages a comprehensive study of the field of politics, keeping especially the Indian reality in focus. The Department of Political Science has been attempting to decentre the notions and practices of the political from its conventional moorings in Eurocentric thought and history.

E Mail ID: politics@mesponnanicollege.ac.in

DEPARTMENT OF STATISTICS

The Department of Statistics aims to provide quality education in the field of Statistics; to develop the subject of Statistics with its application and usefulness to the society; to provide qualified and trained statisticians for the economic, social, administrative, planning and academic development of the society.

VOCATIONAL PROGRAMMES

B. VOC. DATA SCIENCE & ANALYTICS

Our College commenced the B.Voc. Programme in Data Science and Analytics in the Academic Year 2021-22. The UGC has launched a Scheme on Skill Development based higher education as part of College/ University Education, Leading to B.Voc. degree with multiple exits such as Diploma/ Advanced Diploma under the NSQF.

Unlike Academic Degrees, the Vocational Courses are based on Experiential learning. Vocational Education is aligned to the Sector Skill Councils. Student of vocational courses learn about the practical application of concepts, which is diametrically opposite to students getting a degree who is largely exposed to theoretical

PROGRAMME OUTCOMES

- Attract young minds to the potentially rich and employable field of computer applications.
- To train and equip the students to meet the requirements of the Software industry in the country and outside.
- Understand the basic principles of programme development by identifying and formulating problems and integrate resources to decisions using the problem solving approach.
- An ability to apply mathematical foundations, algorithmic principles, and computer science theory in the modelling and design of computational systems in a way that demonstrates comprehension of the tradeoffs involved in design choices.
- An understanding of professional, ethical, legal, security, and social issues and responsibilities for the computing

profession.

- Develop effective communication skills in English and regional language
- Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings
- Demonstrate knowledge understanding of the scientific and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments

B.VOC. FASHION DESIGN & MANAGEMENT

Our College commenced the B.Voc. Programme in Fashion Design and management in the Academic Year 2021-22. The UGC has launched a Scheme on Skill Development based higher education as part of College/ University Education, Leading to B.Voc. degree with multiple exits such as Diploma/ Advanced Diploma under the NSQF.

Unlike Academic Degrees, the Vocational Courses are based on Experiential learning. Vocational Education is aligned to the Sector Skill Councils. Student of vocational courses learn about the practical application of concepts, which is diametrically opposite to students getting a degree who is largely exposed to theoretical knowledge.

E. MOIDU MOULAVI CENTRAL LIBRARY

The college library has an excellent collection of books, journals, magazines and digital resources, apart from that it also includes special collection bearing the legacy of Ponnani. The College library named after E. Moidu Moulavi, one of the prominent freedom fighters, social reformer, scholar and educationist of Malabar District, born at Maranchery in Ponnani.

Library Started in the very first year of establishment 1968 in a class room with 1000 books, constructed an independent building in 2005 with the MP fund (2002) of Korambayil Ahamed Haaji (Rajysabha Memeber), by Nirmithi Kendra, Malappuram with 2950 sq. ft. plinth area, further expanded in 2019 with 1200 sq. ft., now it occupies a total area of more than 4000 sq. ft. and is spread over in two floors.

Currently library has a spacious interior with a large reading area to accommodate 150 students at a time. The whole collection is classified according to DDC 22nd edition and catalogued as per MARC 21. Library automated in the year 2012 with the Book magic software and converted to KOHA ILMS Open-source software in 2018. The books are bar-coded, students and staff of the college also had a membership card with bar-code. This facility improves the accuracy and speed of various jobs in library such as IN /OUT of users, Issue/return of books and stock verification.
