## **WEBINAR ON "ROAD MAP TO YOUR DREAM CAREER"**

The Department of Commerce and Management studies organized a Webinar in association with T.I.M.E Thrissur on 22<sup>nd</sup> Sept. 2021 on the topic "ROAD MAP TO YOUR DREAM CAREER" on Zoom for B.Com and BBA students. The welcome address was extended by the Head of the department Ms.Siji Verghese V. The Principal of the college Dr.Ajims P Mohammed presided over the function. The webinar was inaugurated and the technical session was handled by Mr.Diju Jose, Centre director T.I.M.E, Thrissur. Total 120 students were participated in the programme and e-certificates were issued for all participants.

In this session the resource person mentioned that in today's day and age, getting a B.Com/BBA degree is compulsory for a commerce student, but it is not enough. It is not easy to find high paying jobs for commerce graduates if one has not chosen the right courses after B.Com/BBA. One has to take up post-graduation or professional certificate to have a well-established career after Commerce degree. He said that there are several career options available to students after completing a degree in B.Com/BBA, but not all students are aware of the different routes they can take to establish a successful career. He explained the available professional courses and career options after commerce graduation that the students might consider for a stable job opportunity in the future. He also mentioned that the first part of your journey involves defining who you are and what you want to do i.e complete self-assessment.. Next part is to solidify your career choices.

The session was so resourceful enough to motivate the students and to direct their line of thought towards their dream career. The session concluded with a vote of thanks which was expressed by Ms. Raheena K.M, (Coordinator) faculty member of the Department of Commerce and Management Studies.

## National Seminar GeoART - 25-26, March 2022

Department of PG Studies and Research in Geology with the support of the Geology Alumni Association (GEMS) organized a National Seminar named GeoART (Art of Teaching in Geology) to commemorate the legendary services of Dr. V A Ayisha, Associate Professor & Head of the Department. A teacher par excellence, a guiding light for many students, active researcher and administrator – Dr. V A Ayisha was given a well-deserved farewell. Sri. P Nandakumar, MLA representing the Ponnani constituency in the Kerala Legislative Assembly inaugurated the Seminar. The speakers of the seminar included academicians, scientists and teachers who happened to be her friends, students and relatives by way of the geology fraternity. The third marked the grand get-together of the alumni. It was named “GAIAL’22 - the acronym for “Geology Alumni Illuminates Ayisha teacher’s Legacies”. All the three days’ programmes were telecast online and were well attended by the Geology Alumni and Scientists and well-wishers.

## Report of the one-day workshop on 26<sup>th</sup> November, 2021.

Department of PG studies and Research in Geology, MES Ponnani College, Ponnani in collaboration with the Operation West Coast-II, Marine & Coastal Survey Division, Geological Survey of India, Cochin, organized a one-day workshop on 26.11.2021 (Friday). The workshop was mainly to impart knowledge on Marine Geology as well as to make aware about the activities of Marine and Coastal Survey Division, Geological Survey of India.

During the session, Dr. Brijesh V.K., welcomed the resource persons, faculties and Post Graduate students of the Geology departments of M E s Ponnani College and GEMS College Ramapuram. Dr. V.A. Ayisha, Associate Professor and Head of the Department presided over the function. In her presidential address, she appreciated the constant scientific interactions between the Marine & Coastal Survey Division of Geological Survey of India and the Department. Smt. Shaniba V., Senior Geologist addressed the gathering and briefed about the activities of Geological Survey of India and its contribution towards nation building. She also stressed upon the need to make the general public aware of the activities of GSI. GSI started its outreach programs by conducting lecture sessions, workshops, providing in-house dissertation facilities, etc. to the Undergraduate/Post Graduate Geology students and research scholars of different academic institutions. She further requested all participants to have active interaction and utilize the platform to grab the knowledge from the resource persons.

Smt. Sainaba N.K., Senior Geologist elaborated the activities of Marine & Coastal Survey Division of GSI in her lecture. The lecture was mainly focussed on the activities of Geological Survey of India in general and had given emphasis on the offshore activities of M&CSD using various marine survey techniques and offshore mineral exploration. In the second lecture, Smt. Remya C., Senior Geologist gave a synopsis of the general geology and geomorphology of the marine environment and coastal geomorphology. The third lecture given by Smt. Shaniba V., Senior Geologist was on different types of marine sediments and showcasing the achievements of Marine and Coastal Survey Division in finding the mineral wealth of Indian offshore. Smt. Sainaba N.K., Senior Geologist in her lecture, briefed about the importance of coastal protection structures and CRZ. The Head of the Department appreciated GSI team and expressed their heartfelt thanks for organizing such workshops for imparting knowledge and motivating the students to pursue their career in the field of Geology. Dr. C. Sreejith, Assistant Professor proposed normal vote of thanks for the function.

Dear Sir/ Ma'am,

The Department of Geology with the support of Geology Alumni Association (GEMS) is organizing two-day National Seminar to illuminate the contributions of Dr. V.A. Ayisha, who is to retire from service on 31.03.2022.

The seminar GeoART – 2022 will focus on the “Art of Research and Teaching in Geology”, which had been exemplarily displayed by Dr. V.A. Ayisha, beyond doubt, during her tenure as a teacher for the last 33 years.

On the third day, a get together of Geology alumni of this college is planned. Named as  $\text{GIA} \text{ '22}$  (Geology Alumni Illuminates Ayisha Teacher's Legacies), it will bring together all the alumni members, a majority of whom are the students of Dr. Ayisha also.

We solicit your gracious presence for all the programmes.

Students have provided psycho-social support to Covid patients and their families. It included 20 students. All members in the Manasa Team called covid positive patients and their family members to give mental support to them. It will help them to have an easy cure and return to normal life. Bereavement, isolation, loss of income and fear are triggering mental health conditions or exacerbating existing ones. Many people may be facing increased levels of alcohol and drug use, insomnia, and anxiety. It was a great experience for the students.
