

## **FINE ARTS CLUB**

The College has a permanent organization in place by the name 'Fine arts club' in order to organize cultural and fine arts activities, under the chairmanship of the Principal. It is mainly concerned with promoting students who have talent and potential for various art – cultural performances. The college provides sufficient opportunities to build up talents in different forms of art like music, dance, drama etc.

### **Aim**

A campus balanced on complete methodical thrills requires a corresponding dose of art so that aesthetics and prettiness around us are not elapsed. The motto is to instigate and permit our students to actively learn and develop their talent and skills that will develop creative phrase

### **Objectives**

- To encourage students to express their thoughts, feelings and creativity through the various visual art forms from two dimensions to three dimensions.
- To tap the inherent talents and potentials of the student community at all levels of life.
- To endorse the virtual merits of the students and to expose them to the upper order society who would in turn bring laurels to the institution by regular inspiration and support.
